MANAGEMENT RIGHTS

Except as expressly limited by the terms of this Agreement, the Board, directly or acting through its duly constituted authorities, retains and reserves exclusively to itself all powers, rights, authority, prerogatives, duties and responsibilities conferred upon and vested in it by the laws and constitution of the State of Ohio and of the United States, and as specifically set out in R.C. §4117.08(C), whether exercised or not. Without limiting the generality of the foregoing, except where expressly stated in this Agreement, nothing contained herein shall in any way limit the Board's right to adopt new or modify or terminate existing policies, rules, regulations, and procedures in furtherance and accomplishment of its statutorily mandated authorities and responsibilities. The Board acknowledges its duty to bargain in good faith over the employment effects of such actions if its managerial prerogatives have an effect on wages, benefits, hours or working conditions. Upon fulfilling said duty, the Board may implement its proposed actions.

Except as specifically modified by an express provision of this Agreement, none of the rights reserved exclusively to the Board shall be subject to the grievance procedure of this Agreement.

ARTICLE 5
FACULTY RIGHTS AND RESPONSIBILITIES

5.1 **ACADEMIC FREEDOM**

- 5.1.1 Members are entitled to full freedom in both the physical or virtual classroom in preparing their courses, and discussing their subject. Members shall be careful not to introduce into their teaching controversial matter which has no relation to their subject.

- 5.1.2 Members are citizens, Members of a learned profession, and faculty of the University. When they speak or write as citizens, they shall be free from University censorship or discipline, but their special position in the community imposes special obligations. As scholars and educational officers, they must remember that the public may judge their profession and the University by their utterances. Hence they must at all times be accurate, exercise appropriate restraint, show respect for the opinions of others, and make every effort to indicate that they are not speaking for the University.

5.2 PROFESSIONAL OBLIGATIONS

- 5.2.1 Members, guided by a deep conviction of the worth and dignity of the advancement of knowledge, shall recognize the special responsibilities placed upon them. Their primary responsibility to their subject is to seek and to state the truth as they see it. To this end Members shall devote their energies to developing and improving their scholarly competence. They have an obligation to exercise critical self-discipline and judgment in using, extending, and transmitting knowledge. They shall practice intellectual honesty. Although Members may follow subsidiary interests, these interests must never seriously hamper or compromise their freedom of inquiry.
- 5.2.2 As teachers, Members shall encourage the free pursuit of learning in their students. They shall hold before them the best scholarly and ethical standards of their discipline. Members shall demonstrate respect for students as individuals and adhere to their proper roles as intellectual guides and counselors. Members shall make every reasonable effort to foster honest academic conduct and to ensure that their evaluations of students reflect each student's true merit. They shall respect the confidential nature of the relationship between professor and student. They shall avoid any exploitation, harassment, or discriminatory treatment of students. They shall acknowledge significant academic or scholarly assistance from students. They shall protect students' academic freedom.
- 5.2.3 As colleagues, Members have obligations that derive from common Membership in the community of scholars. Members shall not discriminate against or harass colleagues. They shall respect and defend the free inquiry of associates. In the exchange of criticism and ideas, Members shall show due respect for the opinions of others. Members shall acknowledge academic debts and strive to be objective in their professional judgment of colleagues. Members shall accept their share of faculty responsibilities in the academic governance of the University.

ARTICLE 6
CONFLICT OF INTEREST

To the extent that members may be subject to the Ohio Ethics Laws found in ORC §102 and §2921 they must file all notifications of conflicts of interest required by said statutes with the General Counsel of the University.

ARTICLE 7
ACADEMIC GOVERNANCE

- 7.1 The vital importance of faculty participation in the making of academic policy is hereby recognized. The Faculty Senate is the organ through which the faculty speak on matters of academic policy and other matters not subject to collective bargaining.
- 7.2 The Employer will seek input from the Faculty Senate on the following matters: curriculum, including addition or elimination of academic courses, certificates, programs and degrees; academic rules, regulations, policies and standards regarding undergraduate students; and the reorganization of colleges and departments. Additionally, at such time as the University undertakes a university wide strategic planning process, the administration will seek input on nominations from the Faculty Senate Executive Committee for membership on each criteria team.
- 7.3 Notwithstanding the foregoing limitation, due to the institutional benefits to be derived from a robust culture of shared governance, the administration is committed to obtaining input from the Faculty Senate on major policy decisions of the University regardless of their particular subject matter and shall attempt to obtain such input to the degree it is reasonably practicable to do so.
- 7.4 The principle of faculty participation in the selection of academic officers is affirmed.
- 7.5 Department chairpersons are the primary interface between faculty and administration. The faculty of affected departments shall be given an opportunity to give input prior to the selection or renewal of their department chairperson.
- 7.6 Decisions made by the administration, under this article, shall be fully reported and explained to the Faculty Senate in written detail in order to allow the Faculty Senate to understand the rationale of a given decision.
- 7.7 With respect to this article, the UT-AAUP is restricted to the Grievance article and waives any and all right or ability to restrict or challenge decisions made by either the Board of Trustees or University Leadership. The UT-AAUP may contest only the Employer's failure to seek input from the Faculty Senate on the matters specifically set forth in Section 7.2 and not the content of any decision reached after such input has been sought.

ARTICLE 8
APPOINTMENT, RANK & ASSIGNMENT

- 8.1 The UT-AAUP acknowledges that the Board of Trustees has adopted a workload policy pursuant to R.C. 3345.45 and that the Board of Trustees takes the position that workload has become a prohibited subject of bargaining by reason of the policy's adoption. The Board of Trustees likewise acknowledges that UT-AAUP takes the position that various aspects of its Members' employment obligations, including but not limited to appropriate credit for various duties, are not prohibited subjects of bargaining. However, in the interest of concluding a successor agreement following prolonged negotiations, the parties agree to the following language only for the duration of this contract without waiver or prejudice to the parties' to assert and maintain their positions in any future negotiations, bargaining or other labor employment related proceedings.

It is recognized that the University has a tripartite mission of teaching, professional activity and service. The parties recognize the complexity of establishing faculty workloads as a means to satisfy the tripartite mission. The parties further acknowledge the importance of all three components of the tripartite mission.

- 8.1.1 Lecturers are full-time non-tenure track faculty Members whose conditions of appointment are described in this article.

- 8.1.2 For nine (9) month faculty, the work year shall consist of two (2) semesters including the week before the beginning of the academic year but not including scheduled holidays, Fall Break, Thanksgiving Break, Winter Break and Spring Break.

- 8.1.2.1 Final examinations, if required by the instructor, shall be given during the period of the two (2) semesters set aside for such exams and not during the period set aside for instruction.

- 8.1.3 For twelve (12) month faculty the work year shall consist of twelve (12) months but not including scheduled holidays.

8.2 RANK

- 8.2.1 Assistant Lecturer: Members with three (3) or fewer years of service as a Lecturer.

- 8.2.2 Associate Lecturer: Members in their fourth (4th) through ninth (9th) year of service as a Lecturer.

- 8.2.3 Senior Lecturer: Members who have completed their ninth (9th) year of service as a Lecturer or who have held a Lecturer appointment since July 10, 1997.

8.3 ASSIGNMENT

- 8.3.1 Before making assignments to visitors and part-time faculty, the department Chair shall make assignments to the Member.
- 8.3.2 If an insufficient number of assignments exist in any given academic year for all Members in a department or program, the department Chair or program director shall make assignments by seniority to the most senior Member provided that the Member is qualified to perform the duties of the assignment.
- 8.3.3 The department Chair shall maintain an updated appointment list which shall list Members by seniority. In instances where more than one Member was hired in the same year, and if an insufficient number of assignments exists for those Members hired in the same year, assignments shall be made using the last four digits of the Member's Social Security number with the highest number receiving an assignment first.
- 8.3.4 Department Chairs shall notify Members of the courses and the number of course preparations the Member will be assigned eight (8) weeks prior to the beginning of the following term, recognizing that several factors, including enrollment, may cause the assignment to change prior to the beginning of a term. The UT course schedule shall include the name of the Member assigned to teach a course not later than seven (7) weeks prior to the beginning of the following term.

8.4 WORKLOAD

- 8.4.1 The average teaching load of full-time, non-tenure track faculty as adopted by the Board of Trustees over an academic year shall range between a maximum of thirty (30) credit hours per year and a minimum of twenty-four (24) credit hours per year. The number of work load hours shall depend upon the mix of a Member's teaching, service, and/or professional activity. The Member's teaching assignment shall be based on such considerations as class size, number of course preparations, the nature of the course, contact hours and the Member's other contributions to the Department, College, and University.
- 8.4.2 Assignment in excess of the maximum stated above may only be made by mutual agreement between the Member and the Chair of the Member's department.
- 8.4.3 A Member's assignment shall be equitably adjusted to account for election/appointment to AAUP Executive Board, University, Department, or College positions but shall not exceed 4 credit hours of reduced teaching load.
- 8.4.4 A Member's assignment shall be reduced by the number of hours purchased by the UT-AAUP for release time.

- 8.4.5 Each department, or equivalent unit, annually shall establish the workload for Members within that department, or equivalent unit, which are consistent with this agreement. Each individual's workload shall be fair and equitable.
- 8.4.6 The Department Chair, or equivalent administrative officer, shall consult with each Member of the unit prior to establishing each member's proposed workload. Members shall receive a written copy of their workload for review prior to transmittal to the Dean. A copy of each individual's workload shall be posted via hardcopy or electronic communication in the department three (3) days before transmittal to the Dean's office. Once made public within the department, or equivalent unit, each individual's workload shall be forwarded to the Dean and ultimately to the Provost for final approval.

8.5 SUMMER EMPLOYMENT

- 8.5.1 When departmental needs and available resources provide opportunities for summer employment, the Department Chair will assign full time faculty (either Tenured, Tenure-Track and/or Lecturers) who are qualified to teach and indicate a willingness to teach prior to offering the course to visiting or part-time faculty. For the summer 2015 the current published policies describing how such assignments are made will be followed. By the end of Fall semester 2015, each department or unit must develop a revised policy which must be approved by the Chair, Dean and Provost describing how such assignments are to be made that takes into account that Tenured and Tenure-Track and Lecturer bargaining units are on equal footing with respect to such assignments. This revised and approved policy will then be utilized for summer teaching assignments for summer 2016 and thereafter prior to offering the course to visiting or part-time faculty

8.6 INACTIVE STATUS

- 8.6.1 When the staffing needs in the Member's department or academic unit are such that a Member's services are not needed in that year, the Member will be placed on inactive status.
- 8.6.2 If the staffing needs in the Member's department are such that a Member is not needed in that year, the Member may request to be placed in another department. The Chair of the requested department will consider the Member's qualifications and experience in deciding whether to allow the Member to teach.
- 8.6.3 A Member placed on inactive status can remain in that status for up to twelve (12) months. Except as allowed under Article 27, no Member shall be placed on inactive status after the commencement of the academic term. During the inactive status period, if staffing needs again require the use of the Member's service, the department Chair must return the Member to active status based on seniority established by date of hire.

- 8.6.4 A Member returning to active status will return with the same seniority as when placed on inactive status.
- 8.6.5 A Member on inactive status shall be offered first right of refusal to teach as a part-time employee. A Member hired as a part-time employee will not be compensated at the Member's rate or be eligible for University benefits.
- 8.6.6 Members on inactive status will not receive salary or benefits as described in this contract. Once placed on inactive status, the Member will be provided a COBRA notice and given the opportunity to continue coverage at the COBRA rate at the Member's expense.

8.7 TERMINATION

- 8.7.1 A Member with the rank of Assistant Lecturer may be terminated after one (1) unsatisfactory annual evaluation.
- 8.7.2 A Member with the rank of Associate Lecturer may be terminated after two (2) unsatisfactory annual evaluations.
- 8.7.3 A Senior Lecturer may be terminated after receiving two (2) unsatisfactory annual evaluations in any rolling five (5) year period.
- 8.7.4 A Member may be terminated as a result of Corrective Action as described in Article 15 of this agreement.
- 8.7.5 A Member may be terminated if on inactive status for more than twelve (12) months.

ARTICLE 9 EVALUATION

- 9.1 Nothing herein prevents the Administration from managing, supervising, advising, or commenting on faculty performance during the term of appointment. The process described in this Article is the sole process by which Members shall be evaluated.

9.2 OBSERVATION

- 9.2.1 The observation shall be done by the department Chair in which the Member teaches. The Chair may conduct scheduled classroom observations. If the Chair has significant concerns regarding the Member's teaching following an observation, the Chair may select a designee from the Department to observe the Member. The Chair shall select a designee in the following order: a Senior Lecturer; if none is available, then an Associate Lecturer; if none is available, then a tenured faculty Member. Members shall receive a copy of any observation evaluations within two weeks of the date of the observation.

9.2.1.1 Members may be observed in the Members' first, second, third, fifth, seventh, ninth, fourteenth, nineteenth, twenty-fourth, and twenty-ninth year of employment with the University.

9.2.1.2 Nothing in this Agreement prohibits the Chair from observing Members in response to a complaint made by a student.

9.2.1.3 Any subsequent observation done after a Member has been found to be unsatisfactory at a given rank, shall be done by the Chair of the department in which the Member teaches. The Chair may conduct scheduled classroom observations. If the Chair has significant concerns regarding a Member's teaching following an observation, the Chair may select a designee from the Department to observe the Member. The Chair shall select a designee in the following order: a Senior Lecturer; if none is available, then an Associate Lecturer; if none is available, then a tenured faculty member. Members shall receive a copy of any observation evaluation within two weeks of the date of the observation.

9.2.2 Person(s) conducting the observations described in 9.2 shall use the evaluation instrument described in 9.4.1.4

9.3 ANNUAL EVALUATION

Bargaining unit Members shall be evaluated annually with the highest priority given to teaching and teaching related duties, field work and field supervision. Members may rely upon objectives identified by the department Chair as a guide for creating an evaluative narrative of quality and satisfactory performance. Members shall compile and submit the evaluative materials outlined in 9.4 to their department Chair no later than the end of Fall semester each academic year. Chairs must have Fall semester's student evaluations available to Members by the last day of the second week of Spring semester. Members may respond to Fall semester's student evaluations and have those responses added to their evaluative materials. If Members choose to respond, they must submit comments to the Chair by the last day of the third week of Spring semester.

9.4 EVALUATIVE MATERIALS

9.4.1 The department Chair in which the Member teaches and the appropriate Dean shall consider the following evaluative materials as well as activities turned in to the Chair by the member to assist in the evaluation:

9.4.1.1 Student evaluations of all courses or other instructional activities administered in accordance with departmental procedures.

- 9.4.1.2 Self-evaluation, classroom observations by the Chair or designee as described in 9.2, review of syllabi, examinations, and other curricular materials.
 - 9.4.1.3 Annually submitted Annual Reports of Professional Activity (ARPAs).
 - 9.4.1.4 An evaluation instrument developed by a committee of Members of a Department. Department Chairs shall meet with a committee of Members from the Department to develop a standardized classroom observation form to be used. Any new instrument developed must be approved by the appropriate Dean.
 - 9.4.1.5 Materials in the Member's personnel file commencing with the academic year in which the Member entered the bargaining unit that specifically relate to teaching effectiveness.
 - 9.4.1.6 Any letter of expectations resulting from an "unsatisfactory" evaluation, as outlined in sections 9.4.2 and referenced in Article 9.4.5.3.
 - 9.4.1.7 Following a review of the evaluative materials described in this Article, the department Chair in which the Member teaches shall write an evaluation of the Member's overall effectiveness in teaching and other core responsibilities, as well as comments regarding the Member's non-core duties.
- 9.4.2 The evaluation shall state whether the Member's degree of effectiveness in their assignment(s) has been satisfactory or unsatisfactory. The evaluation must specifically state the reasons for a "satisfactory" or "unsatisfactory" rating. If a Member is given an "unsatisfactory" rating, the evaluation must also specify what needs to be done to achieve a "satisfactory" rating, or the objectives outlined in 9.3, unless the rating results in non-renewal.
- 9.4.3 The Chair shall send to each Member a copy of her/his evaluation by the last day of February. If the Member does not request reconsideration as referenced in 9.4.5, or after 9.4.5 has been completed, the evaluation shall be forwarded to the Dean. The Dean shall have the option to accept the Chair's evaluation or write her/his own evaluation. The Dean's decision shall be final.
- 9.4.4 When the Dean has completed a review of the Members' evaluations, copies of the Members' evaluations shall be sent to the appropriate department Chairs. Each Member shall also receive a copy of her/his evaluation review.
- 9.4.5 Request for Reconsideration

The Member being evaluated shall have the right to request, in writing, within five (5) days of an evaluation and recommendation being received by the Member that the administrator reconsider the Member's case. The Member shall have the

right to appear with a UT-AAUP representative before the administrator making the evaluation and recommendation being reconsidered. The administrator shall reconsider the case within ten (10) days of the request being made and shall immediately inform the Member of her or his decision in writing. A request for reconsideration shall stay the evaluation process for that Member at the next higher level until the reconsideration has occurred. Absent a request for reconsideration, the review process shall go forward.

9.4.5.1 Members must receive their evaluation review, approved by the Dean, no later than the last day of March.

9.4.5.2 A satisfactory annual evaluation of a Member shall not constitute a promise of future employment. Future employment opportunities shall be governed by the provisions of Article 8 Appointment, Rank and Assignment.

9.4.5.3 If a Member receives an “unsatisfactory” recommendation on an annual evaluation that does not result in termination or non-renewal, as outlined in sections 9.4, the Chair shall prepare a letter of expectations. The letter must specify what the Member needs to do to achieve a satisfactory evaluation. The Chair shall then meet with the Member and the Member’s representative of the UT-AAUP to discuss the letter of expectations. Members given such an unsatisfactory rating will meet with the Member’s Chair twice during each semester in order to discuss the Member’s progress in addressing the issues raised in the evaluation. A Member may request that a representative of the UT-AAUP be present at the meetings.

9.5 SPECIAL ASSESSMENT

9.5.1 When the appropriate Dean or the Provost has good reason to believe there is a significant problem regarding a Member's performance of duties, the Dean shall meet with the Member, along with any other appropriate individuals, in an attempt to clarify and, if necessary, rectify the situation. Special assessments shall be reserved for the truly unusual situation that cannot be rectified by any other means.

9.5.2 If, following the meeting described in section 9.4.1, the Dean or the Provost determines that a special assessment is appropriate, the Dean shall meet and confer with the department Chair and the affected Member on the design of an appropriate evaluation. The evaluators shall report the results of the evaluation to the Dean, Chair and the affected Member.

9.5.3 Should the evaluation identify matters requiring remedy, the Dean and department Chair shall meet with the Member to discuss and identify remedies. The Dean shall notify the Member and the Chair in writing of the remedy or remedies decided upon and the required schedule of compliance and means of monitoring compliance. If the member fails to cooperate or comply with the remedies ordered by the Dean, the matter may be remanded to the process set forth in Corrective Action, Article 15.0.

9.6 PERSONNEL FILES

9.6.1. The official personnel file for Members shall be that which is maintained in the Office of the Provost.

9.6.2. The employer's designee shall, upon request of a Member, make available for inspection and copying any and all documents in the Member's personnel file.

9.6.3. In order to preserve confidentiality, the employer's designee shall remove all letters of recommendation on the Member prior to the Member's examination of the Member's file.

9.6.4. Before any solicited or unsolicited derogatory allegations about a Member are included in the Member's official University personnel file, the Member shall be given a copy of such material and an opportunity to append a response to the allegations which shall be attached to said allegations in the Member's file. Evaluations and assessments prepared pursuant to this article shall not be deemed derogatory allegations.

9.6.5 Challenges to the propriety of documents in the Member's personnel file shall be addressed in writing to the employer's designee who shall issue a written decision.

ARTICLE 10 INSTITUTIONAL ENVIRONMENT

10.1 An adequate working environment and supporting services are necessary for effective teaching, learning and research.

10.1.1 The Employer recognizes the importance of providing library systems and resources, both physical and virtual, responsive to faculty and student needs consistent with standards of quality recognized at a national level by higher education and program accrediting bodies and the Association of College and Research Libraries.

10.1.2 Members shall have same or similar access to the instructional support services, facilities, and clerical services of their academic department or instructional unit that are made for Tenured and Tenure Track Faculty.

11.7.1 The Department Chair, in conjunction with the Provost office, is responsible for establishing which courses are taught in the summer. The Provost's office has the authority to offer or to cancel any class as it deems appropriate. The Department Chair will assign full time faculty (either Tenured, Tenure-track and/or Lecturers who are on equal footing for the assignments) who are qualified to teach and indicate a willingness to teach prior to offering the course to part-time faculty.

11.7.2 If a course assigned to a bargaining unit member is cancelled, the bargaining unit member has no right to be assigned an alternative course and no right to bump other bargaining unit members or non-bargaining unit members from their assigned course.

This revised and approved policy will then be utilized for summer teaching assignments for summer 2016 and thereafter prior to offering the course to visiting or part-time faculty.
- 11.8 The University reserves the right to adjust a member's salary beyond the negotiated levels to retain the member and/or to counter bona fide offers of employment. When such an adjustment is proposed, the Provost or his/her designee will immediately provide UT-AAUP with written notice of the proposed adjustment and/or evidence of a bona fide offer to the affected member before any decision is finalized by the Provost or his/her designee. Prior to approval for an adjustment by the Provost there must be mutual agreement amongst the Bargaining Unit member, Department Chairperson and appropriate Dean.

Such leave shall normally be for one (1) calendar year or less, but may be by mutual agreement extended in writing by the University and the Member. Ultimate authority to grant such leave is discretionary with the Board. Ninety (90) days before the expiration of such a leave Members must indicate in writing to their department chairperson, or other equivalent supervisor, their intention of returning to work. Once granted, a leave of absence may be shortened only upon agreement between the University and the Member. A request for such leave shall not unreasonably be denied.

14.2.1.2 Following the birth of a child, that child's faculty Member parent who has exhausted paid sick leave will be entitled to leave without pay for the remainder of the then current academic term for purposes of child care.

University insurance coverage at the group rates at the Member's expense. A Member shall accrue seniority on such leave.

A Member shall submit a release from their physician or advanced practice registered nurse stating that the Member's state of health is such that the Member may return to work to the Employer's Designee prior to the Member returning to work. A Member must return to work when released by his/her attending physician or advanced practice registered nurse in order to retain employment status. 14.3 ABSENT WITHOUT LEAVE / FAILURE TO RETURN FROM APPROVED LEAVE

A Member who absents him or herself from duty without an approved leave of absence under this Article or who fails to return to duty at the conclusion of a leave approved under this Article is subject to Corrective Action under the provisions of Article 15.

ARTICLE 15 **CORRECTIVE ACTION**

15.1 The Employer shall not impose discipline except for just cause. The employer subscribes to the principles of progressive discipline except in instances when summary action is called for. Any disciplinary action shall be predicated upon written charges.

15.2 When the Employer has reason to believe an incident(s) has occurred which might constitute grounds for discipline, it shall investigate prior to the application of Section 15.3 below. Interviews with the Member and others may be conducted during any such investigation. Before such interview occurs, with a Member under investigation, and/or when a Member is advised that he/she is the subject of an investigation under an Employer policy, an Employer representative will advise the Member in writing of the Member's right to be represented by the UT-AAUP and/or its legal representative during

any interview and/or at any meeting or hearing that the Member has with the investigating body. An interview conducted pursuant to an Employer policy, including but not limited to policies on sexual harassment or misconduct in research, is an “investigative interview.”

Where the Member indicates a desire to be represented by the UT-AAUP and/or its legal representative, the investigative interview, meeting or hearing will not proceed without a UT-AAUP representative in attendance. Notwithstanding, in no event shall the Employer have to delay or postpone a specific interview, or meeting or hearing more than once to allow for such representation.

If the Employer interviews the Member as part of the investigation, the Employer will inform the Member of his/her Garrity Rights prior to the interview that is being conducted as part of the investigation that could result in disciplinary action against the Member. The Member will also be advised that (1) his/her statements during the interview will not be used against him/her in any subsequent criminal proceedings that might take place, and (2) his/her failure to answer questions during the interview will subject him/her to disciplinary action up to and including termination of employment.

15.2.1 When, in the judgment of the President, or designee, the presence of a Member on Employer property presents a threat to the health or safety of the Member or other Members of the University community, or represents a threat of substantial disruption or substantial interference with the normal and lawful activities of any Member or of the University community as a whole, the President, or designee, may suspend the Member pending the disposition of the disciplinary process provided for under this Article. Such suspension shall be with pay. The President, or designee, may also direct that the Member be removed and barred from Employer property.

15.3 The recommendation of any person, committee, panel or council authorized by Employer Policy to discipline a Member (including termination), shall be forwarded to the Office of the Provost. In such event, a pre-disciplinary hearing shall be convened to discuss the charges against the Member and provide the Member with an opportunity to present the Member’s case. The Member shall be given the opportunity to be accompanied by an UT-AAUP representative and/or its legal representative. The Employer shall notify the Member and the UT-AAUP in writing at least seven (7) days prior to the pre-disciplinary hearing, of the purpose of the meeting, the charges under consideration and the Member’s right to be accompanied by the UT-AAUP at the pre-disciplinary hearing. Upon written request, the Employer will provide the Member or the UT-AAUP any public record as defined in ORC Section 149.43 that the Employer has relative to the charges against the Member.

Prior to the pre-disciplinary hearing, the Employer will inform the Member of his/her Garrity Rights; that (1) his/her statements during the interview will not be used against him/her in any subsequent criminal proceedings that might take place, and (2) his/her failure to answer questions during the hearing will subject him/her to disciplinary action up to and including termination of employment.

An Employer representative, who has not previously participated in the investigation at issue, will conduct the pre-disciplinary hearing. The Member and the UT-AAUP will be provided with notice of the disposition of the charges within thirty (30) days (or such longer time as may be specified in the Employer policy) after the close of the pre-disciplinary hearing. If the disposition includes a recommendation of disciplinary action, such discipline shall be implemented as set forth in Section 15.4.

- 15.4 Reprimands may be issued to a Member by the Member's Dean, the Provost, or the President. Suspension of Members may only be issued by the President, or designee. Dismissal of Members for cause may only be implemented by a formal written Notice of Dismissal, together with reasons therefore and a bill of particulars, issued by the President. Discipline issued under this article can be grieved on substantive and procedural grounds at the external arbitration level.
- 15.5 The Employer and UT-AAUP shall exert their best efforts to keep any or all allegations, including sexual harassment, made against a Member of the Bargaining Unit confidential unless and until a final decision is rendered by appropriate authority determining the guilt or innocence of the Member of the Bargaining Unit.
- 15.6 Evaluations and assessments shall not be construed as discipline.

ARTICLE 16 GRIEVANCES

- 16.1 The parties agree that, whenever possible, disputes should be resolved informally at the lowest level. To that end, all Members and administrators are encouraged to engage in free and open communication in the airing of differences.
- 16.2 **DEFINITIONS**
 - 16.2.1 A "grievance" is a complaint or allegation by a Member or Members, or by the UT-AAUP that there has been a violation, misinterpretation or improper application of the provisions of this Agreement. Unless specifically modified within this Agreement, all provisions of this Agreement are subject to this Grievance Procedure.
 - 16.2.2 The Management may, by written notice, schedule a meeting with the representatives of the UT-AAUP to discuss any issue of concern to the Management regarding the interpretation or application of the provisions of this Agreement. If the parties are unable to resolve the issue, the Management may, within twenty (20) days, following the meeting of the parties, submit the issue to external arbitration under section 16.3.3 et seq.

- 16.2.3 The time limits indicated in this Article shall be considered maximum unless extended by mutual agreement in writing.
 - 16.2.4 Upon failure of a hearing officer to provide a written response to the offices of the UT-AAUP and the Employer's designee and the grievant within the time limits provided in this Article, the Union may appeal to the next step.
- 16.3 If the matter is not resolved informally, a formal grievance may be filed. The official grievance form in Appendix B must be used to file the grievance.

16.3.1 INITIAL FILING

The aggrieved Member(s) shall present the grievance through UT-AAUP, in writing, on the official grievance form to the Employer's designee within twenty (20) days following the act or omission giving rise to the grievance, or the date the Member(s) knew or could reasonably have been expected to know of such act or omission. The written grievance on the official grievance form in Appendix B shall state the nature of the grievance, the dates when the act or omission giving rise to the grievance occurred, the contractual provisions allegedly violated, the remedy sought and be signed by the grievant. The Employer's designee will review the grievance and promptly forward the grievance to the appropriate Administrative level for hearing within ten (10) days of receipt, with notice to the grievant(s) and the UT-AAUP. The Administration levels to which a grievance may be presented include:

Department Chairperson
College Dean
Provost

16.3.2 GRIEVANCE HEARINGS

Upon receipt of a grievance from the Employer's designee, the Department Chairperson, or other appropriate immediate supervisor, the Administrative level to which the grievance has been assigned shall arrange for a meeting with the grievant and a UT-AAUP representative to take place within ten (10) days, to discuss and attempt to resolve the grievance. If attempts to resolve the grievance are unsuccessful, within ten (10) days following the meeting, the supervisor hearing the grievance shall send a written response to the grievance, including reasons, on the original grievance form, to the Employer's designee with concurrent copies to the grievant and UT-AAUP. If the grievant or the UT-AAUP does not accept the answer provided at this step, either may, within ten (10) days, appeal, on the appeals form, to the Employer's designee to have the grievance reviewed at the next administrative level. The Employer's designee shall then promptly forward the grievance to the appropriate next administrative level within ten (10) days. If the UT-AAUP does not accept the answer provided by the Provost, it may appeal to external arbitration.

16.3.3 EXTERNAL BINDING ARBITRATION

16.3.3.1 UT-AAUP shall have the sole right to submit a grievance filed by the union or a Member to final and binding arbitration by an external arbitrator. Such appeal shall be filed, in writing on the appeals form, to the Employer's designee, within ten (10) days after receipt of the Provost's decision.

16.3.3.2 Upon a submission to external arbitration, representatives of the UT-AAUP and the Employer's designee or designee shall meet within fifteen (15) days to select an arbitrator. In the event the parties are unable to mutually agree upon the selection of an arbitrator, the selection shall be made by asking the Federal Mediation and Conciliation Service (FMCS) to provide a panel of seven (7) names. The moving party will be responsible for the cost of the initial panel. Either party has the right to request a second panel. The requesting party will be responsible for the full cost of such panel. The parties shall strike names alternatively from the panel, with the party to strike the first name determined by a flip of a coin. The union representative(s) and management representative(s) shall immediately arrange for a meeting to expeditiously select the arbitrator that satisfies both interested parties. The arbitrator's decision shall be final and binding upon the parties and shall be rendered within thirty (30) days after the arbitration hearing record is closed. The cost of arbitration shall be borne equally by UT-AAUP and the Employer.

16.4 REMEDIES

External arbitrators and all officers hearing a grievance shall be bound by the following:

16.4.1 They shall have no authority to add to, subtract from, alter, change or modify any of the provisions of this Agreement.

16.4.2 Their decisions shall be limited to only the question or questions submitted for their decision.

16.4.3 They shall not render any decision which would result in the violation of this Agreement or a public statute or regulation.

16.4.4 They shall make no award which provides a Member compensation greater than would have resulted had there been no violation.

- 16.5 Any grievance not otherwise specifically limited by this Agreement can be heard on substantive or procedural grounds. Grievances may be amended up to and including the Dean level.
- 16.6 Suspensions or dismissals may be appealed by UT-AAUP directly to external arbitration.
- 16.7 A Member who participates in a grievance procedure will not be subject to disciplinary reprisal because of such participation.
- 16.8 Any relevant information in possession of the employer pertaining to a grievance that is needed by UT-AAUP to investigate and process a grievance will be provided to UT-AAUP within five (5) days of a written request.
- 16.9 Individual grievants may have private counsel present at their own expense in any or all grievance proceedings. However, such counsel may not participate in the proceedings except as a silent observer.

ARTICLE 17
NO STRIKE/NO LOCKOUT

- 17.1 The UT-AAUP and its officials will not cause, support, or condone, nor shall any member or members take part in any strike, slow down or work stoppage of any kind during the life of this Agreement.
- 17.2 The Employer shall not conduct a lockout of bargaining unit members during the term of this Agreement.
- 17.3 Any member of the bargaining unit who engages in any activity in violation of Section 17.1 above during the term of this Agreement shall be subject to discipline up to and including dismissal as determined by the University.

ARTICLE 18
UT-AAUP

- 18.1 The UT-AAUP shall be permitted reasonable use, to the extent permitted by law, of University facilities and services on the same basis and at the same cost as recognized campus organizations.
- 18.2 The Employer will make available space in University Hall to be utilized by UT-AAUP for an office. UT-AAUP shall be responsible for the costs of telephone installation and service, if same is desired by them. Should this space become unavailable because of renovation or changes in facility usage, the Employer will make other space on Bancroft campus available.

18.3 Release Time

The UT-AAUP shall be permitted to purchase thirty-six (36) credit hours of release time for its negotiating committee members and/or officers each semester of the academic year. The UT-AAUP will pay the credit hour cost at the base rate of \$750 up to a cap of \$1000 with documentation of costs above \$750 for each semester.

Summer School release time shall be permitted to be purchased at the actual salary cost (cost of fringe benefits not included). UT-AAUP shall provide written notice to the Chair of the Department of the UT-AAUP officer(s) within that Department thirty (30) days prior to the commencement of the semester and/or summer school session of the UT-AAUP officer(s) who will be on release time. Once notified, the member's teaching load will reflect the requested course release. Activities performed under this Article for UT-AAUP may be considered University service for purposes of faculty evaluation.

18.4 The regular UT-AAUP dues shall be established under the terms of the UT-AAUP Constitution and certified to the Employer by the UT-AAUP. The payroll deduction of the regular UT-AAUP dues or Fair Share Fees shall be made on each pay day in each month during which the member is in active pay status.

18.4.1 Effective sixty (60) days following the beginning of employment, members of the bargaining unit who are not members of the UT-AAUP shall pay to the UT-AAUP a Fair Share Fee. This does not require any member of the bargaining unit to become a member of the UT-AAUP, nor shall the Fair Share Fee exceed dues paid by members of the UT-AAUP who are in the bargaining unit. The UT-AAUP shall prescribe an internal rebate procedure which conforms to Federal Law and to § 4117.09 (C) Ohio Revised Code. The deduction of a Fair Share Fee from the payroll checks of members of the bargaining unit and its payment to the UT-AAUP is automatic and does not require the authorization of the member. Payments by members holding religious conscientious objections shall be governed by § 4117.09 (C) Ohio Revised Code. No member of the bargaining unit shall be required to become a member of the UT-AAUP as a condition for securing or retaining employment.

18.4.2 The UT-AAUP shall indemnify the Employer against any and all claims, demands, suits, or other forms of liability or costs that arise out of, or relate to, any action taken or not taken by the Employer for the purpose of complying with the provisions of this Article.

18.4.3 The Employer agrees to make every effort to forward checked-off dues to the UT-AAUP within two weeks following the second pay day of each month, but no later than thirty (30) days.

ARTICLE 19
ENTIRE AGREEMENT

19.1 The parties acknowledge that each had the full right to make proposals with respect to any subject, and that, after exercising that right, all the parties' understandings are set forth in this Agreement. The terms of this Agreement may be altered, changed, added to, deleted from, or modified only through the voluntary mutual consent of the parties in a written and signed amendment to this Agreement.

ARTICLE 20
SEPARABILITY

Shall any portion of this Agreement be found by a duly constituted court or regulatory authority to be in conflict with any applicable law or public regulation, then such conflicting portion of this Agreement shall be rendered null and void and the applicable law or regulation shall be controlling. In such event, upon request of either party, the parties shall commence good faith bargaining for replacement language.

The invalidation of any portions of this Agreement in accordance with this Article shall not affect the legality and enforceability of the remainder of this Agreement.

ARTICLE 21
LABOR-MANAGEMENT MEETINGS

The parties agree to hold bi-monthly Labor-Management meetings at a mutually agreed upon time schedule between the "Employer's" designee, UT-AAUP President and the UT-AAUP Executive Officer for Lecturer Affairs. If any agenda item pertains to the Bargaining Unit, the UT-AAUP President may bring a representative(s) of the Bargaining Unit to the Labor-Management Meeting. The parties will exchange agendas at least two (2) days prior to the scheduled meeting time. Additional meetings may be scheduled by mutual agreement.

ARTICLE 22
TERM OF AGREEMENT

Upon ratification by the UT-AAUP and the Board of Trustees, the Agreement will be effective retroactive to July 1, 2014.

The Agreement shall remain in effect through June 30, 2017, upon which time the second Agreement will become effective from July 1, 2017 through June 30, 2018. The parties agree to commence negotiations for a successor agreement no later than March 1, 2018, subject to the provisions of ORC Chapter 4117.

ARTICLE 23
DISTRIBUTION OF AGREEMENT

Within thirty (30) calendar days after this Agreement has been ratified and signed by the parties, the Employer shall have this Agreement printed at its expense and distributed to all currently employed Members. Thereafter, all new Members shall be provided a copy of this Agreement by the Employer within fifteen (15) days of being employed. In the event a Member does not receive this Agreement as provided above, the Employer shall distribute one to such Member within ten (10) days of the Employer's designee being informed that such Member did not receive the Agreement. If the UT-AAUP requests additional copies of the Agreement, such copies shall be provided and the UT-AAUP will reimburse The University of Toledo the actual cost for the reproduction.

ARTICLE 24
ELIGIBILITY FOR TENURE-TRACK POSITIONS

If a tenure track position becomes available in a Member's area of expertise, any Member who qualifies for that position shall be guaranteed an initial interview for the job. When the Employer decides to conduct a search to fill a new or vacant tenure track position, the Chair of each Department in which the vacancy exists shall provide written notification of the search and a job description for the tenure track position to Members in the Department.

ARTICLE 25
DISTANCE & E-LEARNING

Distance learning is an alternative delivery mode of educational instruction that is afforded the same status, and will follow the same policies and procedures for purposes of this Agreement, as traditional classroom teaching with regard to both faculty rights and the role and responsibilities of the department chair.

- 25.1 Development of a distance and e-learning ("DL") course or substantial revision to an existing DL course receiving significant financial support as set out in Article 28 must be approved by the Program Director, if applicable, the Department Chair and the Dean of the College. The development of new distance and e-learning program(s) and the courses associated with the new program(s) are subject to the same department, college and university procedures for review and approval as traditional classroom course(s). Bargaining unit members have the right of first refusal with regard to the development of new DL courses, new DL versions of courses or the substantial revision of an existing DL course.
- 25.2 Approval for significant financial support to develop or substantially revise an existing DL course will be made by the Provost or designee. Article 28 shall govern the ownership of the work product and course materials.

- 25.3 As the Provost's designee, e-learning and Academic Support will make a payment of \$3500 to the authoring faculty for a new DL course or substantial revision to an existing DL course. Faculty who develop and teach said course will receive full payment of \$3500. Prior to developing or revising a course with e-learning and Academic Support the authoring faculty and the department chair will sign an agreement that identifies the amount to be paid, terms of payment, and confirms the University's ownership of the copyright and course materials. That given, the faculty member will have the final say on the content of the course. The University owns all rights and copyright responsibilities for DL courses that are developed and paid pursuant to this Article after February 1, 2007, by the tenured faculty, tenure-track faculty and lecturers.
- 25.4 Faculty Members and instructors may receive compensation only for the development of two (2) DL courses per year. An exception to this limitation may be possible for the development of a third (3rd) course in any given year, provided the course development has the approval of the Provost or designee.
- 25.5 In the first three academic years of the initial offering of a new DL course the faculty member who created the new DL course(s) shall be given first preference to teach up to two sections of the course(s) per semester including summer, if offered. First preference will apply as long as all course offerings and curricular needs within the department are satisfied.

ARTICLE 26

OUTSIDE EMPLOYMENT AND ACTIVITIES

- 26.1 "Outside employment" means employment, including self-employment, which is not contracted for through the University and for which any remuneration paid is not paid through the University.
- 26.1.2 Members are expected to devote their professional efforts during the academic year to regular University assignments. Members shall not engage in outside employment nor participate in activities that interfere with the member's full time responsibility.
- 26.1.3 A member may with prior written administrative approval, which shall not be unreasonably denied, devote additional time to other employment. Approval will not be denied unless it can be established that outside employment will interfere with members' University responsibilities
- 26.1.4 A member who intends to engage in outside employment shall promptly report in writing the nature and extent of the proposed commitment to the member's department chairperson or appropriate supervisor on the annual reporting form. Such reporting shall be renewed each academic year. Such reporting will only be required on an annual basis unless the extent of outside employment changes significantly in the interim. The chairperson or appropriate supervisor shall forward a copy of all approved applications to the appropriate dean and the Provost.

- 26.1.5 A member engaged in outside employment or activities, with or without compensation, shall not use the name of the University to suggest institutional endorsement or support of a non-University enterprise nor the name of the University on stationery, business cards, or promotional literature for such outside activity. However, the member can utilize his University title for identification purposes. A member shall not teach regular classes at another college or university during the academic year without prior written approval by the Provost.
- 26.1.6 Before University space, services, supplies or equipment may be used in the performance of any outside activity, written permission must be obtained in advance from the Dean. Appropriate usage fees must be disclosed in writing to the member, who will then be responsible for payment to the University for any such space, services, supplies or equipment used.

ARTICLE 27

FINANCIAL EMERGENCY PRINCIPLES AND PROCEDURES

- 27.1 Should the Employer reasonably anticipate the existence of a financial crisis of such severity that it cannot be alleviated without terminating the appointment of Members (“financial emergency”), the Employer will address the financial emergency with UT-AAUP through the process set forth in Article 19.0, sections 19.1–19.5 Financial Emergency Principles and Procedures of the parties Collective Bargaining Agreement covering the Tenured, Tenure-track bargaining unit. That process is also included here in sections 27.2 and 27.3. The Employer and the UT-AAUP recognize that the process set forth here in sections 27.2 and 27.3 and in Article 19.0 of the Tenured, Tenure-track agreement are intended to be one single process which addresses the issues of financial emergency described therein.
- 27.2 The data upon which the Employer bases its anticipation of financial emergency and the savings which the Employer deems necessary to effect shall be presented to the UT-AAUP. The Employer shall also provide any relevant additional information in its possession which the UT-AAUP may request within ten (10) calendar days following the receipt of the initial Employer data. The Board shall not act upon recommendations from either party until the Financial Emergency Implementation Committee (FEIC) described below has made its recommendation or sixty (60) calendar days have passed from the Board's full provision of data to UT-AAUP whichever is sooner. No layoff of Members will take place until full implementation of this Article is completed.
- 27.3 Upon declaration by the Board that a financial emergency exists, the Provost or designee and the President of UT-AAUP will be charged with establishing a Financial Emergency Implementation Committee (FEIC) which shall have equal representation by the parties. The Provost or designee and the President of UT-AAUP shall monitor the process and plans of the FEIC and assure that the FEIC accomplishes the following:

- 27.3.1 Make recommendations of alternatives which would result in minimum deterioration of existing academic programs and which would not sacrifice the University's long-term fiscal health in order to solve a short-term financial problem (The FEIC shall not consider the possible methods used to relieve the financial emergency listed below in any kind of priority ranking);
- 27.3.2 Investigate and recommend ways to relieve the emergency by means of initiating mechanisms for income generation;
- 27.3.3 Investigate and recommend ways to relieve the emergency by means of cost-reduction methods, including: reduction of support staff and administrative personnel and services; encouragement of voluntary early faculty retirement, leaves of absence, and resignations through financial inducements including "buy-out" plans; reduction in internal funds allocated to research and equipment; reduction in the number of graduate assistants; replacement of part-time, visiting, retiring, superannuate, resigning and non-tenured faculty with existing tenured faculty Members where qualified to teach, across-the-board concessions with respect to salaries and/or fringe benefits by administrative, staff and faculty personnel; planning and implementation of long-term reduction in size or elimination of colleges, departments or parts of departments, programs or parts of programs where the educational mission of the institution as a whole would not be jeopardized;
- 27.3.4 Investigate and recommend elimination of inessential activities.
- 27.4 The FEIC shall make a good faith effort to arrive at its recommendations within a sixty (60) calendar day period from the Board's full provision of data to UT-AAUP regarding the anticipated financial crisis, or any extension thereto which may be granted by the Board.
- 27.5 If the recommendation involves the reduction or discontinuance of a program, department or college, the FEIC shall establish its priorities based upon the long-term enrollment projections, the role of the programs in fulfilling the missions both of the University as a whole and the continued accreditation of academic units, the effect on joint programs with other institutions and the impact on the students registered in the programs. Should retrenchment in academic programs become necessary, due consideration shall be given to providing for students enrolled in those programs to complete the requirements of the program.
- 27.6 Should the Board determine that the recommendations of the FEIC are not sufficient to relieve the financial emergency, the Board shall have the right to act on its own initiative as to layoffs but, nevertheless, shall apply the principles specified in this Article. There shall be full disclosure of the financial data, rationale, and resulting decisions based on the Board's deliberations. Efforts shall be continued to encourage early voluntary retirements, leaves of absence and resignations. In the case of Members designated for

layoff, every effort shall be made to bring about their reassignment, accompanied by appropriate retraining, to open faculty positions in other programs.

- 27.7 Normal attrition is the preferred approach to the extent that it will assist in relieving the financial emergency. However, if it is determined through the process that layoffs are to occur, the following steps will be taken in order:
- 27.7.1 The teaching of overloads in an affected department shall be eliminated.
- 27.7.2 Any category of faculty other than full-time shall be released first.
- 27.7.3 Non-tenured Members in an affected department shall be laid off before tenured Members in that department. The order of layoff shall be: Non-tenured, non-tenure-track and non-bargaining unit faculty starting with part-time faculty and/or visitors; Members of this bargaining unit covered by this agreement, in reverse order of full-time continuous service to the University; Tenure-track faculty and Tenured faculty.
- 27.8 Where the length of full-time continuous service is equal, layoff shall be made using the last four digits of the Member's social security numbers with the lower number being laid off before the higher number.
- 27.9 Laid off Members shall have the right of expedited use of the grievance procedure herein as to whether the principles of this Article have been properly applied in their case.
- 27.10 If a Member is laid off under the terms of this Article, the Member shall receive notice, or salary in lieu thereof, of at least three (3) months.
- 27.11 Laid off Members' names shall be placed on inactive status and shall remain on the list for twelve (12) months. The University may not fill a position in the bargaining unit in a discipline in which a laid off Member is qualified to teach unless the laid off Member has been offered re-appointment and has been given at least thirty (30) calendar days within which to accept or decline the re-appointment.
- 27.12 Laid off Members shall have the right to continue to participate, at the Members' expense, at group rates, in the University's health insurance benefit programs according to requirements and time limits under COBRA and to participate in the University's life insurance for a period of twelve (12) months.

ARTICLE 28

28.1.1 The parties agree to incorporate by reference herein Ohio Revised Code §3345.14, which is included as Appendix C to this Agreement.

28.1.2 Recognizing that time is of the essence in the protection of the legal interests of both the University and its employees in their discoveries, inventions or patents, it shall be the duty of each Member to:

28.1.2.1 Report in writing to the body established by the BOT to consider patent matters, all discoveries, inventions or patents resulting from research or investigations made as set forth in sections 28.1.1 and 28.1.2 above as soon as practical and prior to public disclosure after the conception or reduction to practice of the discovery, patent or invention. Such report shall include all the information requested in a standard disclosure form promulgated by the BOT, or its appointed designees, to consider patent matters.

28.1.2.2 Cooperate with agents of the BOT to secure all legal protection for such discoveries, inventions, or patents including preparation and signing of all papers attendant thereto.

28.1.2.3 Assist the University in perfecting its ownership interests in patents by executing the appropriate assignment documents.

28.1.2.4 Cooperate with and assist the BOT, or its appointed designees, to enable the evaluation, marketing and licensing of the submitted discovery, invention or patent.

28.2 COPYRIGHTS

28.2.1.1 “Significant use” shall mean the use of University-owned facilities or agencies by the Member, without payment to the University, in which more than fifty percent (50%) of the cost of creating the work in its final form is borne by the University.

- 28.2.1.2 “Significant financial support” shall mean University financial support in the form of money or released time beyond the normal assignment or salary, which constitutes over fifty percent (50%) of the cost of creating the work in its final form.
- 28.2.2 A copyrightable material or work shall be owned by the University if:
- 28.2.2.1 The work is prepared by a Member, entirely as a part of the Member’s designated duties as an employee, as a work made for hire; such works made for hire as a part of the Member’s designated duties shall not include those originated by a Member as described in section 28.2.1 above.
 - 28.2.2.2 The author or creator of the material or work has been specially ordered or commissioned by the University to create or produce the materials for which the Member received compensation from the University other than or in addition to normal assignment or salary from sources administered by the University or State of Ohio.
 - 28.2.2.3 Bargaining Unit Members shall use the following notice when displaying University-owned copyrighted material: "Copyright or © (year), The University of Toledo. All rights reserved."
 - 28.2.2.4 Notwithstanding the above, the University may contract for sponsored research or investigation which includes the use of its facilities and/or employee's services and in which the ownership of copyrightable subject matter resulting from such sponsored research is at variance from sections 28.2.1 and 28.2.2 above.
- 28.3 The legal title to all University owned inventions, discoveries, patents and copyrightable works and materials upon creation shall be vested in the University. Such title shall be vested either by operation of law or by express assignment of the patent or copyright by the inventor or author.
- 28.4 In the event that income is derived through the external licensing, use, sale or other disposition of University owned inventions, discoveries, patents or copyrightable works or materials, such income shall be allocated as follows:
- 28.4.1 The inventor(s) or author(s) of such income producing inventions, discoveries, patents or copyrightable works or materials will be first reimbursed for any direct out-of-pocket expenses incurred in the preparation of such inventions, discoveries, patents or copyrightable works or materials, provided that the necessary records and receipts are submitted to and approved by the Provost or designee.

- 28.4.2 Remaining income, after paying the inventor's or author's direct out-of-pocket expenses, shall be retained by the University until it recovers all its direct expenses associated with the creation, marketing and licensing of the inventions, discoveries, patents or copyrightable works or materials.
- 28.4.3 Further income, after the University has recovered its direct expenses, shall be divided between the University and the inventor(s) or author(s) of inventions, discoveries, patents or copyrightable works or materials in the following manner: Forty percent (40%) of the net remaining funds will be distributed to the inventors in recognition of and reward for initiative. The SB program is to provide a means to assist employees who, because of a personal catastrophic illness or personal catastrophic injury, would be subject to a severe loss of income and benefits during an extended absence from work. In order to be eligible for the program, participating employees must exhaust all of their existing sick leave and vacation balances. The program is not intended to provide supplemental income which would result in compensation levels exceeding normal wages, nor is the program meant to replace or duplicate benefits offered by State Teachers Retirement System of Ohio (STRS), The University of Toledo's Long Term Disability Program (LTD), and/or Workers Compensation. Bank sick leave days may not be granted for elective surgery, illness or care of any member of the individual's family, nor maternity leave.
- C. Members of the UT-AAUP-LBC understand one of their responsibilities is to maintain the strictest level of confidentiality possible when dealing with recipient information.

III. Applicability

The SLB program is available to employees who are represented by UT-AAUP at The University of Toledo.

IV. Donor Eligibility

- A. In order to donate sick leave hours, an employee must meet the following eligibility criteria.
 - 1) The donor must be employed at The University of Toledo in a UT-AAUP bargaining unit position at the time of donation.
 - 2) All UT-AAUP represented faculty must have at least sixteen (16) hours of accrued sick leave at the time of donation.
 - 3) All faculty members represented by the UT-AAUP absent from work on an extended leave during any enrollment/assessment period will be permitted to contribute to the SLB within thirty (30) calendar days of their return from extended leave provided he/she meets the minimum sick leave balance requirement of sixteen (16) hours (pro-rated if appropriate).

V. Donation Policies and Regulations

- A. A minimum of fifty (50) UT-AAUP bargaining unit members are necessary to initiate the establishment of the sick leave bank.
- B. Only donors are eligible to apply for sick leave credits for personal catastrophic illness or personal catastrophic injury as certified by the attending physician. Applicants will be reviewed according to medical need and will not be granted special privileges based on prior donated hours.
- C. No later than May 15, 1998, UT-AAUP shall appoint five (5) UT-AAUP members to serve on the Sick Leave Bank Committee (SLBC), a standing committee of the UT-AAUP. The five appointments shall represent different colleges and/or schools. The Administration shall have an ex-officio member on the SLBC. The appointees shall serve for three-year terms after initial appointments of staggered terms (two or three years, two for two years and one for one year). Those appointed to serve shall meet within ten (10) days of their appointment to elect a chair. Those selected to serve on the SLBC may be reappointed, vacancies for any reason shall be filled immediately for the remainder of the unexpired term by UT-AAUP who shall appoint the SLBC member to complete the term. UT-AAUP-LBC members shall be appointed, serve and/or be removed at the sole discretion of the UT-AAUP Executive Board.
- D. Once sick leave is donated, it will not be returned to the donor. The hours donated will be deducted from the net full bi-weekly paycheck following the UT-AAUP written authorization to donate said hours. The amount of hours to be donated will be determined by the UT-AAUP-LBC. Leave donations will not be acceptable if they are under a stipulation as to whom the donated hours are to be given.
- E. After the initial open enrollment of thirty (30) calendar days, the UT-AAUP-LBC will hold an annual enrollment period to be determined by the UT-AAUP-LBC. The enrollment period and the enrollment procedures will be publicized annually by the UT-AAUP-LBC to all employees eligible to join.
- F. The LBC shall be responsible for administration and implementation of the sick leave bank Guidelines, membership and enrollment procedures, and reasonable assessment rules to maintain an adequate reserve. It shall not be empowered to modify the terms of the Agreement or these sick leave bank Guidelines. The LBC shall notify the Assistant Vice President of Personnel of the sick leave bank implementation date.
- G. The Administration shall provide reasonable staff support to maintain the sick leave bank, keep records of the sick leave days donated and taken.
- H. Additional assessments may be made by UT-AAUP-LBC in the event an emergency situation has occurred and the leave bank is lacking hours needed to meet UT-AAUP-LBC approved recipient's needs. All current members of the UT-AAUP-SLB will be

required to donate additional time during these assessment periods in order to remain eligible for membership in the UT-AAUP-SLB.

- I. Donation activity will be recorded on the Leave Donation Log for each recipient employee. The Payroll Office will be responsible for deducting hours donated from the SLB adding leave hours to LBC approved recipient's time records.
- J. A quarterly report indicating the status of the sick leave bank membership usage and sick days reserves will be provided by the SLBC to the Assistant Vice President of Personnel, the Vice President for Administrative Affairs, and to the members participating in the Sick Leave Bank.
- K. The right membership or the right to apply for membership ceases with termination of employment, retirement for any reason, refusal or inability to comply with assessments.

VI. Member Eligibility

- A. In order to receive sick leave credits, an employee must meet the following eligibility criteria:
 - 1) The member must be an employee in the UT-AAUP bargaining unit, a member of the UT-AAUP-SLB, and entitled to receive sick leave hours during an active period of appointment.
 - 2) A member must be in the sick leave bank for at least thirty (30) working days to be eligible to apply for sick leave days from the bank.

VII. Leave Bank Hours May Be Granted Under the Following Circumstances

- A. A catastrophic illness or catastrophic injury which requires an employee's absence from duty and results in a substantial loss of income to the employee.
- B. Sick Leave Bank hours may be taken intermittently or on a reduced schedule, only if such schedule is needed for medical reasons and conditions and cannot be accommodated within employee's work schedule, provided it is approved by the UT-AAUP-LBC.

VIII. Recipient Policies and Regulations

- A. Each initial grant of sick leave days shall be limited to a maximum of twenty (20) consecutively scheduled working days for each illness or injury. After the initial grant, an extension (extensions) of up to one hundred (100) sick leave days may be granted per catastrophic illness or catastrophic injury. The total sick leave granted to any one member shall not exceed 120 days per fiscal year or 120 days to any one illness recurring illness, or accident.

- B. Normally, donated credits are available for periods of continuous absence which are expected to continue beyond one bi-weekly payroll period. However, in certain cases of intermittent absence, the UT-AAUP-LBC may waive the continuous absence requirement.
- C. If the recipient returns to work for a period not exceeding five working days and has a recurrence of the same condition, the employee may continue to receive leave bank credit hours without submitting an additional application.
- D. If leave days from the bank are granted to an employee, the employee is considered to be in active pay status during the use of that leave and all employment benefits apply including the accrual of vacation, sick leave, and seniority.
- E. Once an eligible employee begins receiving disability benefits under STRS, LTD and/or Worker's Compensation, donated credits may no longer be used.
- F. If any leave is granted but not used by the employee, the unused portion of the amount of leave transferred is returned to the Leave Bank. This would apply in the case of an employee's retirement, death, or recovery from the illness or injury.
- G. The UT-AAUP-LBC members are not eligible to receive leave bank credits while maintaining a position on the LBC. If the Board member meets the eligibility requirements as specified by this document, he/she must resign from the Board before applying for leave bank credits. Once official resignation from the UT-AAUP-LBC is received, that employee may apply for leave bank credits. If leave credits are granted, his/her resignation remains in effect for the duration of the catastrophic illness.
- H. The number of hour granted is based on the sole discretion of the LBC as determined by the individual case, severity of the illness/injury and the number of credits available in the bank. The LBC assumes no responsibility to grant leave credits for the eligible period to cover the total duration of leave. Decisions of the LBC are not subject to the grievance procedure.

IX. Applications For Leave Bank Hours

- A. Applications must be submitted to the UT-AAUP-LBC. Applicants must provide sufficient medical documentation to support their request.
- B. The University, UT-AAUP, or the UT-AAUP-LBC will not assume that an employee wishes to receive leave bank hours. Employees or their designee must indicate their wish to participate in this program by applying, in writing, to the UT-AAUP-LBC. Application forms will be available in the Personnel Department and the UT-AAUP office.

- C. An application form with supporting documentation must be filled out, signed, and submitted by the employee or his/her designee to the LBC. Upon receipt of the application, the LBC will note the date it was received and mail a letter acknowledging receipt and stating approximately when the employee may expect an answer.
 - D. The letter of acknowledgment shall be postmarked within ten (10) working days of receipt and a decision regarding the application will be made within ten (10) working days.
 - E. If an employee's application for the receipt of leave bank hours is rejected, he/she may petition the LBC to reconsider its decision within ten (10) working days of the Committee's decision.

 - B. Record the number of leave hours approved by the LBC for each recipient employee on the recipient log.
 - C. Maintain records of leave donations.

(A) As used in this section, “state college or university” means any state university or college defined in division (A)(1) of section 3345.12 of the Revised Code, and any other institution of higher education defined in division (A)(2) of that section.

(B) All rights to and interests in discoveries, inventions, or patents which result from research or investigation conducted in any experiment station, bureau, laboratory, research facility, or other facility of any state college or university, or by employees of any state college or university acting within the scope of their employment or with funding, equipment, or infrastructure provided by or through any state college or university, shall be the sole property of that college or university. No person, firm, association, corporation, or governmental agency which uses the facilities of such college or university in connection with such research or investigation and no faculty member, employee, or student of such college or university participating in or making such discoveries or inventions, shall have any rights to or interests in such discoveries or inventions, including income therefrom, except as may, by determination of the board of trustees of such college or university, be assigned, licensed, transferred, or paid to such persons or entities in accordance with division (C) of this section or in accordance with rules adopted under division (D) of this section.

(C) As may be determined from time to time by the board of trustees of any state college or university, the college or university may retain, assign, license, transfer, sell, or otherwise dispose of, in whole or in part and upon such terms as the board of trustees may direct, any and all rights to, interests in, or income from any such discoveries, inventions, or patents which the college or university owns or may acquire. Such dispositions may be to any individual, firm, association, corporation, or governmental agency, or to any faculty member, employee, or student of the college or university as the board of trustees may direct. (d) Guidelines to ensure that any financial interest held by any employee of the college or university does not result in misuse of the students, employees, or resources of the college or university for the benefit of the firm, corporation, or other association in which such interest is held or does not otherwise interfere with the duties and responsibilities of the employee who holds such an interest.

(3) Rules established under division (D)(1) of this section may include other provisions at the discretion of the college or university board of trustees.
