Without limiting the generality of the foregoing, except where expressly stated in this Agreement, nothing contained herein shall in any way limit the Board's right to adopt new or modify or terminate existing policies, rules, regulations, and procedures in furtherance and accomplishment of its statutorily mandated authorities and responsibilities. The Board acknowledges its duty to bargain in good faith over the employment effects of such actions if its managerial prerogatives have an effect on wages, benefits, hours or working conditions. Upon fulfilling said duty, the Board may implement its proposed actions.

Except as specifically modified by an express provision of this Agreement, none of the rights reserved exclusively to the Board shall be subject to the grievance procedure of this Agreement.

ARTICLE 5
FACULTY RIGHTS AND RESPONSIBILITIES

5.1 ACADEMIC FREEDOM

5.1.1 Members are entitled to full freedom in research and in the publication of the results, subject to the adequate performance of their other academic duties. Research for pecuniary return shall not compromise the intellectual integrity or reputation of the University and shall be based upon prior understanding with the member’s dean.
5.1.2 Members are entitled to full freedom in both the physical or virtual classroom in discussing their subject, but they shall be careful not to introduce into their teaching controversial matter which has no relation to their subject.

5.1.3 Members are citizens, members of a learned profession, and faculty of the University. When they speak or write as citizens, they shall be free from University censorship or discipline, but their special position in the community imposes special obligations. As scholars and educational officers, they must remember that the public may judge their profession and the University by their utterances. Hence they must at all times be accurate, exercise appropriate restraint, show respect for the opinions of others, and make every effort to indicate that they are not speaking for the University.

5.1.4 Librarians shall be free to choose resources and to provide services for the interest, information and enlightenment of all members of the academic community. In no case shall resources be excluded from University libraries because of their author(s) or their scientific, economic, social, political, or religious views. No library resources shall be proscribed or removed from the libraries because of partisan or doctrinal disapproval.

5.2 PROFESSIONAL OBLIGATIONS

5.2.1 Members, guided by a deep conviction of the worth and dignity of the advancement of knowledge, shall recognize the special responsibilities placed upon them. Their primary responsibility to their subject is to seek and to state the truth as they see it. To this end members shall devote their energies to developing and improving their scholarly competence. They have an obligation to exercise critical self-discipline and judgment in using, extending, and transmitting knowledge. They shall practice intellectual honesty. Although members may follow subsidiary interests, these interests must never seriously hamper or compromise their freedom of inquiry.

5.2.2 As teachers, members shall encourage the free pursuit of learning in their students. They shall hold before them the best scholarly and ethical standards of their discipline. Members shall demonstrate respect for students as individuals and adhere to their proper roles as intellectual guides and counselors. Members shall make every reasonable effort to foster honest academic conduct and to ensure that their evaluations of students reflect each student's true merit. They shall respect the confidential nature of the relationship between professor and student. They shall avoid any exploitation, harassment, or discriminatory treatment of students. They shall acknowledge significant academic or scholarly assistance from students. They shall protect students' academic freedom.

5.2.3 As colleagues, members have obligations that derive from common membership in the community of scholars. Members shall not discriminate against or harass
colleagues. They shall respect and defend the free inquiry of associates. In the exchange of criticism and ideas Members shall show due respect for the opinions of others. Members shall acknowledge academic debts and strive to be objective in their professional judgment of colleagues. Members shall accept their share of faculty responsibilities in the academic governance of the University.

5.3 PROFESSIONAL RESPONSIBILITIES in the COLLEGE OF NURSING

5.3.1 In addition to the professional responsibilities set forth in section 5.2, members in the College of Nursing shall maintain an unencumbered license to practice as a Registered Nurse in the State of Ohio and, if required for the position, maintain a valid Ohio Certificate of Authority (COA). In order to be assigned to clinical supervision out of the State of Ohio, the member must hold an RN license and if applicable, a COA in the state in which the clinical supervision occurs. Loss or suspension, through the member’s fault, of the member’s nursing license may result in termination of employment. If the Member’s position requires a COA, the Member must inform the Chair if the Member is not obtaining sufficient hours to maintain the COA. If so notified, the Employer shall make reasonable attempts to help the member find hours for the member to maintain their COA. Loss or suspension of the COA shall initiate the special assessment review in Article 9.5 and may be grounds for termination.

ARTICLE 6
CONFLICT OF INTEREST

To the extent that members may be subject to the Ohio Ethics Laws found in ORC §102 and §2921 they must file all notifications of conflicts of interest required by said statutes with the General Counsel of the University.

ARTICLE 7
ACADEMIC GOVERNANCE

7.1 The vital importance of faculty participation in the making of academic policy is hereby recognized. The Faculty Senate is the organ through which the faculty speak on matters of academic policy and other matters not subject to collective bargaining.

7.2 The Employer will seek input from the Faculty Senate on the following matters: curriculum, including addition or elimination of academic courses, certificates, programs and degrees; standards and requirements for degrees; academic rules, regulations, policies and standards regarding undergraduate students; and the reorganization of colleges and departments. Additionally, at such time as the University undertakes a university-wide strategic planning process, the administration will seek input on nominations from the Faculty Senate Executive Committee for membership on each criteria team.
7.3 Notwithstanding the foregoing limitation, due to the institutional benefits to be derived from a robust culture of shared governance, the administration is committed to obtaining input from the Faculty Senate on major policy decisions of the University regardless of their particular subject matter and shall attempt to obtain such input to the degree it is reasonably practicable to do so.

7.4 The principle of faculty participation in the selection of academic officers is affirmed.

7.5 Department chairpersons are the primary interface between faculty and administration. The faculty of affected departments shall be given an opportunity to give input prior to the selection or renewal of their department chairperson.

7.6 Decisions made by the administration, under this article, shall be fully reported and explained to the Faculty Senate in written detail in order to allow the Faculty Senate to understand the rationale of a given decision.

7.7 With respect to this article, the UT-AAUP is restricted to the Grievance article and waives any and all right or ability to restrict or challenge decisions made by either the Board of Trustees or University Leadership. The UT-AAUP may contest only the Employer’s failure to seek input from the Faculty Senate on the matters specifically set forth in section 7.2 and not the content of any decision reached after such input has been sought.

ARTICLE 8
TENURE AND PROMOTION

8.1 TENURE

8.1.1 “Tenure” is the right of a member to continuous employment by the University. The award of tenure by the Board shall be selective and conditioned upon positive recommendation through the evaluation process described in Article 9.0. Tenure may only be terminated for just cause, through a reduction in force pursuant to Article 19.0 below, or by reason of retirement.

8.1.1.1 Upon ratification of this agreement, Instructors in the College of Nursing are appointed to positions which are neither tenured nor are tenure track positions. All other ranks within the College of Nursing shall be subject to section 8.1.2.

8.1.1.2 College of Nursing faculty are either Instructors without a tenured or tenure-track appointment or are full-time tenured or tenure-track appointments. College of Nursing tenured or tenure-track faculty shall be assigned to one of two (2) tracks – Academic or Clinical – within the College of Nursing. In addition to the requirements of this Agreement, any faculty appointment in the College of Nursing shall require at least
twenty-four months experience as a full-time Registered Nurse. Appointments in the College of Nursing shall be for either nine or twelve months.

8.1.2 Every member appointed without tenure to the rank of Instructor, Assistant Professor, Associate Professor, or Professor shall serve a probationary period not longer than six years. However, in certain circumstances, it may be extended to up to eight years (See section 8.2). New tenure-track faculty hired without tenure after July 1, 2004 shall be appointed to an initial two-year term.

The term “year” shall mean an academic year consisting of consecutive Fall and Spring Semesters of full time service, provided that only one year of credit toward tenure can be obtained during any two (2) consecutive semesters. When an initial appointment begins no later than the first day of Fall Semester a full year's credit toward tenure shall be accorded. An initial appointment beginning after the first day of Fall Semester shall not be credited toward tenure, unless stated otherwise in the initial offer of appointment from the Provost or designee.

8.1.3 Evaluation for tenure must take place no later than the final year of the probationary period. It is understood that there is a joint responsibility on the part of the individual member and the Employer to ensure that review for tenure takes place in a timely manner. If the Board grants tenure, it shall become effective with the beginning of the next academic year. If tenure is not granted, then appointment for the next academic year will be a Terminal Appointment.

8.1.4 If the member so requests, a member may be considered for tenure, if otherwise eligible, in any year of the probationary period. A member may be considered early for tenure only once. Denial of tenure prior to the last year of the probationary period shall not prejudice subsequent application for tenure and in no case shall be construed per se as a ground for termination. A member who applies for early tenure review is nonetheless evaluated using the criteria and process set forth in sections 9.1 and 9.2.

8.1.5 A scholarly or professional leave of absence for one year or less approved by the Board shall count as part of the probationary period unless the member and the dean of the member's college agree in writing to an exception at the time the leave is granted. The inclusion in or exclusion from the probationary period of the leave of absence shall be expressly stated in the leave of absence agreement that must be executed under section 15.3.1. A copy of any such agreement shall be sent to the Provost. Extended sick leave in excess of thirty (30) working days shall not count as part of the probationary period unless the member and the dean of the member's college agree in writing to an exception at the time the leave is granted. A copy of any such agreement shall be sent to the Provost.

8.1.6 To receive tenure the member must be an Associate Professor or Professor, or be recommended at the same time to the Board for promotion to the rank of
Associate Professor or Professor and show promise of continued excellence of performance and continued professional growth.

8.1.7 When a tenured member leaves the bargaining unit for another full-time position in the University, that individual, as long as the individual remains in continuous full-time employment at the University, shall retain the right to return to a tenured position within the bargaining unit.

8.1.8 All letters of appointment must be in accordance with the terms of this contract. These letters of appointment must come from the Provost or designee.

8.1.9 There shall be no tenure quotas affecting members of the bargaining unit.

8.1.10 Members who have received a terminal appointment shall not be eligible for consideration for tenure.

8.2 EXTENSION OF THE PROBATIONARY PERIOD

8.2.1 Under certain circumstances, the probationary period of tenure-track Bargaining Unit Faculty Members may be extended. The circumstances encompass the following:

8.2.1.1 Instances where the probationary Bargaining Unit Faculty Member has developed an illness that would result in a negative impact on his or her progress toward tenure.

8.2.1.2 Instances caused by a Bargaining Unit Faculty Member being called to extended military or civilian duty by the federal or state government or to extended judicial duty.

8.2.1.3 Instances caused by extraordinary professional circumstances due to external factors out of the Bargaining Unit Faculty Member’s control.

8.2.1.4 Instances arising as a result of an unpaid leave of absence (see section 15.3.1.1).

8.2.2 Each request to extend the probationary period shall be limited to one academic year. In exceptional circumstances, a second academic year of extension may be requested or granted. The probationary period may be extended for no more than two (2) academic years in sum total.

8.2.3 The request for extension of the probationary period must be made in writing by the Bargaining Unit Faculty Member to his or her Dean, with concurrent notification to his or her respective Department Chair/School Director. The Dean will consult with the faculty member’s Chair/Director to discuss the request and then forward his or her recommendation to the Provost.
8.2.4 Each written request shall be accompanied by supporting letters, legal notifications, documents, or certifications, as applicable or as available, with the exception that confidential medical records of the Bargaining Unit Faculty Member or of his or her immediate family member shall only be supplied to the University Office of Human Resources. The Office of Human Resources will validate that a legitimate request has been received.

8.2.5 In the event that the instances affecting the Bargaining Unit Faculty Member are one or more of any Family Medical Leave Act (FMLA) qualifying events that results in a leave of at least eight (8) weeks duration, or if the Bargaining Unit Faculty Member has been called to active military duty for a single period of at least eight (8) weeks duration, then the affected Bargaining Unit Faculty Member will automatically be granted a one (1) year extension of his or her probationary period for each such event, subject to the provision that the sum total of the extension of the probationary period may not exceed two (2) years. If the faculty member does not feel that a one (1) year extension of the probationary period is necessary, he or she may choose to decline any such extension. Such decision must be provided to the Provost in writing, with a copy to the UT-AAUP within fifteen (15) working days.

8.3 PROMOTION IN ACADEMIC RANK

8.3.1 The criteria for the various academic ranks shall be as described in sections 8.3.2., 8.3.3., 8.3.4., 8.3.5. For the College of Nursing faculty, section 8.3.2.1 shall also apply. The above condition may also apply to the administration of a grant project, invention disclosure, license patent, patent application or copyright application insofar as proper evidence is presented which documents that such grant administration of a grant project, invention disclosure, license patent, patent application or copyright application meets the requirements as set forth above in this section.

cannot be in conflict with the terms of this Agreement. Elaborations may be modified upon request by either the group or council charged with representing the college faculty or their respective Dean. The elaborations shall be fairly and equitably applied to all members in the department, and not conflict with any approved College elaborations or the terms of this Agreement. All such elaborations must be published and provided to new members upon entering the department. Elaborations may be modified upon request of either the Departmental Personnel Committee (DPC) or their respective Chair. Approval of Department specific elaborations requires a positive recommendation of the tenured and tenure-track department faculty and written approval of both the Dean and the Provost.

9.1.1.6 Letters of expectation issued to incoming faculty or untenured College of Nursing faculty, shall be consistent with the elaborations established by 9.1.1.4 and 9.1.1.5 with the signed approval of the DPC, Chair, Dean and the member. In the rare instance when the letter of expectations is inconsistent with the College or Department elaborations, the letter must be approved and signed by the DPC, Chair, Dean and the Provost. Letters that are inconsistent with the established elaborations shall be identified as such and treated as the applicable elaborations for the specified member.

9.1.1.7 For the purpose of yearly evaluation, all faculty members are required to submit an electronic copy of the Annual Report of Professional Activity (ARPA) in a format approved by the member’s respective Dean, no later than the date specified by the employer’s designee on the Academic Personnel Timetable. If the ARPA format is changed from the previous year’s format, the member’s respective Dean must provide members with the new ARPA format at least ten (10) working days before the ARPAs are due to the Department Personnel Committee (DPC), as specified by the employer’s designee on the Academic Personnel Timetable. The ARPA year shall run from August 15 of one year through August 14 of the next year. Members shall also submit a current electronic copy of their curriculum vitae (CV) along with the ARPA.
9.2 Evaluation Process for Tenure, Promotion, and Renewal

9.2.1 In all reviews for tenure, promotion and renewal, peer judgments shall have a significant role. The following units shall participate in this review process, in the order listed, with each unit giving due consideration to reviewing the recommendations and findings of all preceding units. Each unit shall make an independent, fair and equitable recommendation consistent with the elaborations referred to in sections 9.1.1.4, 9.1.1.5 and 9.1.1.6 and provide a written rationale for decisions. In judging a member’s performance each unit shall abide by the criteria set forth in this Agreement and all approved college and departmental elaborations on those criteria.

Department Personnel Committee
Department Chairperson
College Committee on Academic Personnel
College Dean
University Committee on Academic Personnel (UCAP)
Provost
President.

Each department shall have a Personnel Committee comprised of at least three (3) tenured members of that department elected by the bargaining unit members in that department in accordance with the procedures of that department. If there are not a sufficient number of tenured members of the department to form a committee, the bargaining unit members in the Department shall meet together with a representative of the UT-AAUP and the Department Chairperson to determine a satisfactory alternative that must be approved by the bargaining unit members of the department.

Each college shall have a Personnel Committee comprised of tenured members of the college elected by the bargaining unit members in that college in accordance with the published by-laws of the college.

The University Committee on Academic Personnel shall consist of tenured associate or full professors, one (1) from each college with faculty under the jurisdiction of the University Committee on Academic Personnel and one (1) from the library faculty. College of Law representatives will be elected by tenured or tenure-track faculty within the College of Law. All other committee members will be elected by bargaining unit members within their respective college or unit.

Members of UCAP shall serve a term of three (3) academic years beginning July 1, with one third (1/3) of the members retiring each year. Except in the College of Law, only bargaining unit faculty may serve on the University Committee on
Academic Personnel. No one holding a position of Chairperson, Assistant or Associate Dean, and Dean shall serve on the University Committee on Academic Personnel.

9.2.2 Frequency and Timing of Evaluations

9.2.2.1 Untenured members shall be evaluated annually. When the Department Personnel Committee, Chairperson or Dean consider the member's progress toward tenure to be less than completely satisfactory, they shall include in their recommendation on continued employment a statement of steps the member should take to correct the deficiency.

9.2.2.2 All evaluations shall be processed according to the Academic Personnel Calendar and on the forms prescribed by the Provost annually at the beginning of the academic year after discussing the same with UT-AAUP.

9.2.2.3 In cases of promotion or tenure a member may withdraw from the evaluation process described in sections 9.2.1 through 9.2.3.9 at any time but shall thereby forfeit all claims for that year, including tenure if in the last year of probationary service.

9.2.2.4 Notification of non-renewal of members without tenure shall be given in writing by the President or the President's designee in accordance with the following standards:

9.2.2.4.1 Not later than May 1st of the second academic year of service, if the appointment expires at the end of the Spring Semester, or, if the appointment terminates at any other time, at least six months in advance of its termination.

9.2.2.4.2 Not later than May 1st after two or more continuous years of service in such position.

9.2.3 The Review Process

9.2.3.1 In the first and second probationary years only, the faculty member's performance will be reviewed by the Department Personnel Committee, the Chair, and the Dean after the completion of the Fall Semester. This limited evaluation will include a review of the faculty member's professional goals and objectives as well as her/his performance during the first semester and the completed first year. The Department Personnel Committee and the Chair shall comment on the proposed goals and objectives and performance and make a recommendation to the Dean. The Dean shall review this information prior to making a final
evaluation of the member’s performance. The Dean's evaluation and decision will be forwarded to the Provost. If the Dean recommends non-renewal, the member’s dossier will be forwarded to UCAP, the Provost and the President for evaluation.

9.2.3.2 It shall be the obligation of the candidate for renewal, tenure or promotion to prepare a dossier in accordance with the guidelines set forth below and the time schedule published by the Provost. Such dossiers shall include:

1. An up-to-date résumé.
2. A detailed narrative statement for each evaluation criterion, as specified in Article 9.1.1, explaining how and to what extent the activities claimed have met the criteria and any approved elaborations thereof.
3. Documentation in support of the narrative in (2) above.
4. All annual workload assignments for the past five (5) years or portion thereof that the member has been employed by the University and that this provision has been in force.
5. All annual professional activity reports, or equivalent, for the past five (5) years or portion thereof that the member has been employed by the University.

7. For candidates for tenure, promotion, and renewal, all previous annual evaluations for the past five (5) years or portion thereof that the member has been employed by the University.
8. Copies of the approved College and Departmental elaborations and documentation as required by applicable elaborations.
9. An inventory of the dossier's contents.
10. Summary of evaluations and comments by students and peers for courses taught for the period under review, documentation which demonstrates instructional effectiveness or other teaching related documentation referenced in elaborations.

Members may continue to add to their dossier until five (5) days after evaluation by their department chairperson. Items shall only be added to the dossier with a corresponding cover letter specifically identifying the item(s) and date of addition. Thereafter, the file shall be considered sealed and all subsequent evaluators shall make their judgments based on the file as presented. All evaluating units have the right to request in writing to the member a clarification...
of dossier contents, but “clarification” shall not require additional documentation or materials to be submitted by the member.

When the evaluation process is complete and if no grievance has been filed pursuant to sections 9.2.3.9, 20.1 or 20.2.3, the record of all judgments shall be entered into the member's official personnel file along with the inventory of the dossier's complete contents. All other materials, except copies of any confidential letters from external experts, shall be returned to the member. If a grievance has been filed, the file shall be kept intact in the custody of the employer’s designee until the grievance procedure under Article 20.0 is exhausted.

9.2.3.3 The DPC shall review the dossier presented by the candidate. If the candidate fails to provide this dossier or correct deficiencies in it in a timely manner, the DPC and all subsequent reviewers shall proceed on the basis of whatever information it does possess.

9.2.3.4 Prior to making an evaluation and recommendation that differ from the preceding level of review, the Department Chairperson and the College Dean shall meet with their respective Personnel Committee to discuss in depth and gain a greater understanding of that committee's evaluations and recommendations. At the University level, the Provost shall have a similar meeting with the UCAP.

9.2.3.5 No member shall be permitted to serve or participate in more than one level of evaluation for another member’s tenure, promotion or renewal. When a committee member has a conflict of interest with regard to the individual under consideration or when the committee member's own candidacy is being considered the member shall recuse him/herself.

9.2.3.6 At each level of consideration a member shall be notified immediately in writing of the evaluating unit's evaluation and recommendation. Such notification shall be sent to the member at least five (5) days prior to transmittal to the next higher level in the review process. Forwarding of the dossier to the next review/evaluation level shall not occur until the five (5) day reconsideration timeline has expired. If reconsideration is requested, the dossier shall not be forwarded until that process is complete.

9.2.3.7 The member being evaluated shall have the right to request, in writing, within five (5) days of an evaluation and recommendation being sent to the member that the evaluating unit reconsiders the member's case. Such request must identify the specific error(s) in the evaluation and explain why it/they are incorrect. The member shall have the right to appear before the committee or administrator making the evaluation and recommendation being reconsidered. The evaluating unit shall meet and reconsider the case within ten (10) days of the request being made and shall immediately inform the member of its decision in writing. A
request for reconsideration shall stay the evaluation process at the next higher level until the reconsideration has occurred. Absent a request for reconsideration, the review process shall go forward.

9.2.3.8 Each reviewing unit shall transmit its written evaluation and recommendation, together with any dissenting opinion and with all prior evaluations, recommendations and materials it has received, to the next higher level in the process.

9.2.3.9 It shall be the duty of each evaluating unit to make an independent judgment about the merits of each candidate. However, each evaluating unit must consider the record as a whole and give due weight to decisions made at lower levels. Any deviation from the decision at a lower level must be explained in writing. Grievances over evaluation can only be filed after the Provost’s recommendation to the President. Grievances over failure to institute an evaluation for tenure or pursue the process in a timely manner may be initiated at any time.

9.3 EVALUATION PROCESS FOR DEPARTMENTAL MERIT INCREASE

The evaluation procedure described below is the process for departmental merit increase by which members are evaluated. This procedure shall be used by all levels and units, where decisions are made with respect to these matters of faculty status.

9.3.1 At each level of recommendation specified herein, evaluation of the member’s overall contribution shall be based on the following areas. The percentage ranges listed for each criterion shall be the weight evaluators give to it, with the sum of the three assigned percentages totaling 100%. (see section 9.3.2)

9.3.2 In all reviews for departmental merit increase, peer judgments shall have a significant role. Each of the following units shall make an independent, fair and equitable recommendation on the matter being considered and provide a written rationale for decisions.

Department Personnel Committee
Department Chairperson
College Dean (only when Section 9.3.5 applies)
The units shall participate in this review process, in the order listed, with each unit making an independent evaluation with due consideration reviewing the recommendations and findings of all preceding units.

In judging a member's performance each unit shall consistently apply the criteria set forth in 9.1 and all approved college and departmental elaborations. Each unit shall honor the evaluation weights as assigned by the chair in compliance with Section 10.3.1.2 in calculating the member’s merit score.

9.3.3 The DPC shall base its recommendation on the information presented on the faculty member’s ARPA for the time period(s) under review and documents submitted in accordance with established policies and/or elaborations. Any faculty member who fails to make a timely submission of the ARPA will be ineligible for consideration for a departmental merit increase. Neither the faculty member nor the UT-AAUP can grieve the faculty member’s ineligibility for consideration for a departmental merit increase.

9.3.4 The DPC shall transmit its written evaluation and recommendation to the Department Chairperson.

9.3.5 The initial determinations of departmental merit made by the DPC will be reviewed by the Department Chairperson. If there is disagreement among them, they shall meet and resolve their differences. Following the review by the Chair and any meeting to resolve differences between the DPC and the Chair, the members will then be apprised of their scores, including any unresolved scores between the Chair and the DPC. If the DPC and the Chair were in agreement and a member requests reconsideration, under Article 9.3.6, then the member shall meet with the DPC and the Chair jointly. If the DPC and the Chair could not agree, then a member requesting reconsideration shall meet with each evaluating unit separately. Following the reconsideration meeting(s) the result(s) will then be forwarded to the Dean for review. If differences continue to exist between the DPC and the Chair, there shall be a meeting of the DPC, the Chairperson and the Dean. If differences cannot be resolved, then they shall be settled by a vote of the DPC, the Chairperson and the Dean, each entity having one vote. Scores that are reached by a vote of the DPC, the Chairperson and the Dean shall not be subject to Section 9.3.6 but they may be grieved under section 20.2.3 but cannot be referred to external binding arbitration. Merit ratings shall be posted annually, without members’ names, in each Department concurrent to members being informed of their individual merit rating.

9.3.6 The member being evaluated shall have the right to request, in writing, within five (5) days of the evaluation and recommendation being sent to the member that the DPC and/or the Chairperson reconsider the member's case. Such request must identify the specific error(s) in the evaluation and explain why it/they are incorrect. The evaluating unit shall meet and reconsider the case within ten (10) days of the request being made and shall immediately inform the member of its
decision in writing. A request for reconsideration shall stay the evaluation
process of the next higher level until the reconsideration has occurred. Absent a
request for reconsideration, the review process shall go forward.

9.3.7 Members may continue to add to their ARPA until five (5) days after evaluation
by their Department Personnel Committee and Chair as set forth in section 9.3.5.
Thereafter, the file shall be considered sealed and all subsequent evaluators shall
make their judgments based on the file as presented.

9.3.8 In awarding the departmental merit increase, calculations of merit shall be made
on the basis of a scale of 0 to 5 (5 being the highest score), with decimals allowed
tenths). In determining the above, each criterion will be assigned a score on a
scale of 0 to 5 with the percentages in 9.3.1 used as multipliers to arrive at the
final merit number. The department percentage value of a merit point will be
applied to the individual's nine (9) or twelve (12) month base salary. A member
whose score is less than 2.0 in any year shall not receive merit compensation for
that year. Departments are prohibited from assigning the same merit score for all
members in the Department.

9.3.8.1 To receive a merit score of 2.00 or more, the member must meet the
terms of 9.3.8.2 and be classified as compliant.

9.3.8.2 To be classified as compliant a Member must turn in 95%
of their
grades/student assessments, on or before the date specified on the
academic calendar for each term being evaluated.

9.3.8.3 Each term the Registrar’s Office will issue a report 21 days after grades
are due. This report will list every course taught by the member in the
term and indicate the number of enrolled students who were not assigned
grades in the course by the grade due date for the term, and indicate the
total number of students enrolled. The report will be sent to the AAUP,
the employer’s designee, and the Provost’s office.

9.3.8.4 A representative of the Provost’s office will compile the data from the
Registrar’s reports and classify each Member as either compliant or non-
compliant. Each member will be notified of the determination within 28
days of when grades are due. If a member is not notified by the date
specified, the member shall be deemed compliant.

9.3.8.5 Noncompliant Members will be ineligible to receive an overall merit
score of 2.0 or above. As such, the member will be ineligible for Merit
compensation or Faculty Excellence Award. Members classified as
noncompliant will be notified, in writing, by their respective Dean and
given twenty (20) days from receipt of the notice to appeal. All appeals
should be in writing and sent to the Dean and the employer’s designee.
Upon receiving the appeal the Dean will have fifteen (15) days to
schedule a meeting with the Member and the Member’s AAUP representative. After the Dean meets with the Member, the Dean must do one of the following:

1. Acknowledge the special circumstance or error and classify the Member as compliant

2. Confirm the previous classification of noncompliant and establish an action plan for the faculty to assist with future compliance

3. Classify the Member as compliant but establish an action plan for the faculty to assist with future compliance

9.3.9 When the merit evaluation process is complete and if no grievance has been filed concerning the process, the record of all judgments shall be entered into the member’s official personnel file. If a grievance has been filed, the file shall be kept intact in the custody of the employer’s designee until the grievance procedure under Article 20.0 is exhausted.

9.3.10 If for the year under review, the faculty member was on leave for the entire year, then merit will be assigned for that member in the following manner:

9.3.10.1 For the faculty members on sabbatical leave, merit scores in teaching and service will be the average of the previous three years of evaluation in those areas. Merit scores in professional activity will be evaluated on the same basis as other faculty members.

9.3.10.2 For faculty members on medical leave or on leaves consistent with the Family Medical Leave Act, excluding the Family Child Care Leave as described in 15.1.3, merit scores in all three areas will be scored as the average in each area for the previous three years.

9.3.10.3 For faculty members on Special Assignment Leave, as described in 15.2.2, a written agreement will be reached among the member, DPC, and the Chair as to which areas will be treated as an average of the previous three years, and which areas are to be evaluated on the same basis as other faculty members.

9.3.10.4 A member on any other unpaid leave is not eligible for merit during the time they were on leave.

9.3.11 For those members on leave for one (1) Academic semester, the evaluators will apply the relevant procedure in 9.3.10 to represent the score for the member’s leave. For the semester when the member is not on leave, the evaluation will follow the same process as other faculty members. Faculty on Family Child Care Leave under Section 15.1.3 shall be evaluated pursuant to Section 15.1.3.6.
9.3.12 For the year(s) in which no merit increase occurred for the entire bargaining unit, the merit scores for those years will be averaged with the first year that merit does occur for the members.

9.3.13 **Departmental Merit Distribution**

In each academic year that bargaining unit members receive merit pay increases, departmental merit for an academic year shall be funded by in the amount referenced in Article 12, divided among departments, in proportion to their contributions to the faculty salary base as of March 31st of the previous academic year. Merit shall be paid fifty percent (50%) equal merit equals equal dollars and fifty percent (50%) equal merit equals equal percentage. Merit compensation shall be paid and rolled into base wages in the first pay period in January of the academic year.

9.4 **EVALUATION PROCESS FOR COLLEGE FACULTY EXCELLENCE AWARDS**

After completion of the Departmental merit review process as described in 9.3 the Chair of each DPC shall meet with their department chair and forward a list of the top 25% in their department in each evaluation area to the College Faculty Excellence committee. The chairs will also forward the final merit scores for the top 25%, the ARPA of each member within the top 25% and any supplementary information regarding the merits of the member’s contribution to the College Faculty Excellence Committee. Each College shall have a College Faculty Excellence committee which is made up of three (3) bargaining unit members from within the College who are selected by UT-AAUP, two college administrators and the College Dean or his/her designee. The College Excellence committee shall review the ARPA’s, the departmental scores, and any supplemental documentation provided and shall assign a College excellence score. Not all who were nominated are guaranteed an award. The College Faculty Excellence Award committee will develop a process for distributing the funds, and the entire funded amount shall be distributed. Refer to Article 12, section 12.6 for funding/compensation related to College Faculty Excellence Awards.

9.5 **SPECIAL ASSESSMENT**

9.5.1 When the appropriate Dean or the Provost has good reason to believe there is a significant problem regarding a member's performance of duties, the Dean shall meet with the member, and any other appropriate individuals, in an attempt to clarify and, if necessary, rectify the situation. Special assessments shall be reserved for the truly unusual situation that cannot be rectified by any other means.

9.5.2 If, following the meeting described in 9.5.1, the Dean or the Provost determines that a special assessment is appropriate, the Dean shall meet and confer with the Department Chairperson and the affected member on the design of an appropriate
evaluation. The evaluators shall report the results of the evaluation to the Dean, Chairperson and the affected member.

9.5.3 Should the evaluation identify matters requiring remedy, the Dean and Department Chairperson shall meet with the member to discuss and identify remedies. The Dean shall notify the member and the Chairperson in writing of the remedy or remedies decided upon and the required schedule of compliance and means of monitoring compliance. If the member fails to cooperate or comply with the remedies ordered by the Dean, the matter may be remanded to the process set forth in Article 18.0.

9.6 PERSONNEL FILES

9.6.1 The official personnel file for members shall be that which is maintained in the Office of the Provost.

9.6.2 The employer’s designee shall, upon request of a member, make available for inspection and copying any and all documents in the member's personnel file.

9.6.3 In order to preserve confidentiality, the employer’s designee shall remove all letters of recommendation on the member prior to the member's examination of the member's file.

9.6.4 Before any solicited or unsolicited derogatory allegations about a member are included in the member's official University personnel file, the member shall be given a copy of such material and an opportunity to append a response to the allegations which shall be attached to said allegations in the member's file. Evaluations and assessments prepared pursuant to this article shall not be deemed derogatory allegations.

9.6.5 Challenges to the propriety of documents in the member's personnel file shall be addressed in writing to the employer’s designee who shall issue a written decision.

9.7 PROFESSIONAL ASSESSMENT

9.7.1 The purpose of this assessment shall be to evaluate the member's overall performance including teaching effectiveness or other primary professional function, professional activity and service in order to further the member's professional growth. This assessment shall be made by member's Departmental Personnel Committee and Department Chairperson with additional comments from the CPC, Dean and the Provost. (See Appendix B)

9.7.2 The materials to be considered in a Professional Assessment include a current CV, annual reports of professional activity covering the last five years, merit evaluations from the last five years, promotion or tenure evaluations, and all
currently existing documentation of instructional effectiveness (e.g. student evaluations of teaching) from the last five years. Faculty are encouraged to submit a self-evaluation that addresses the criteria found in Article 9.1 future goals, and/or a summary of performance and other materials they deem appropriate.

9.7.3 The format and schedule for such professional assessments shall be published annually at the beginning of the academic year by the Provost after discussion with UT-AAUP. The Dean of each College shall maintain a list that will be sent annually to the Departments; the list will notify each tenured member of the year in which their post tenure review will occur.

9.7.4 Each tenured member shall receive a review every five (5) years except in the cases identified in 9.7.5. Recognizing that this evaluation is based upon already completed evaluations of the preceding five (5) years, and special assessments (Section 9.5), if any, if there are no special assessments then there shall be a rebuttable presumption that the member has no significant deficiencies.

9.7.5 Tenured members shall be placed on a five-year rotating cycle following the grant of tenure unless one of the events in this section occur, in those cases the five-year rotation will restart from the year of said event. In cases where a member was hired by the University with tenure, said member shall be reviewed five (5) years following the year of their hire date. In cases where a member is returning to the bargaining unit following the end of an administrative appointment, said member shall be reviewed five (5) years following the year they returned to the bargaining unit. In cases where a member is promoted to full professor, said member shall be reviewed five (5) years following the year they were promoted to full professor.

9.7.6 The professional assessment shall provide a comprehensive evaluation of a member’s overall performance, including teaching, service and professional activity. It will also identify the faculty member’s strengths and identify areas, if any exist, for improvements. The assessment shall not compare one member with another. At the earliest indication of a problem the Chairperson shall meet with the affected member to discuss the issue. Should the assessment identify significant matters requiring remedy, the Departmental Personnel Committee and Department Chairperson shall meet with the member to discuss and establish a program of growth. The Chairperson shall notify the member and the Dean of the college in writing of the program of growth decided upon and the means of monitoring progress and success in that program.

9.7.7 All completed assessments, including programs of growth, shall be reviewed by the member, who shall be provided at least five (5) days to append comment before the review is sent to the next level. All completed assessments which have been reviewed by the affected member shall be sent promptly to the next level along with all materials reviewed and any comments by the member’s CPC. The
College Dean and the Provost will review the completed assessment and provide additional comments. A copy of the completed assessment and any appended comments by the member shall be retained in the member's official personnel file.

9.7.8 In the cases where areas of improvement are identified fair and equitable steps will be taken to develop programs of growth. Programs of growth that address teaching and service shall run a minimum of one and one half (1½) years. Programs of growth that address professional activity shall run a minimum of three (3) years. If the member fails to cooperate or follow the program of growth prescribed by the Departmental Personnel Committee and the Chairperson, the matter may be remanded to the process set forth in Article 18.0. Given the sanctity of tenure, the loss of tenure shall always be the last adverse action to be considered.

9.7.9 Professional assessments may be grieved on grounds of substance and procedure.

ARTICLE 10
ASSIGNMENT

10.1 The UT-AAUP acknowledges that the Board of Trustees has adopted a workload policy pursuant to R.C. 3345.45 and that the Board of Trustees takes the position that workload is a prohibited subject of bargaining by reason of the policy’s adoption. The Board of Trustees likewise acknowledges that UT-AAUP takes the position that various aspects of its Members’ employment obligations, including but not limited to appropriate credit for various duties, are not prohibited subjects of bargaining. However, in the interest of concluding a successor agreement following prolonged negotiations, the parties agree to the following language only for the duration of this contract without waiver or prejudice to the parties’ right to assert and maintain their positions in any future negotiations, bargaining or other labor employment related proceedings.

It is recognized that the University has a tripartite mission of teaching, professional activity and service. The parties recognize the complexity of establishing faculty workloads as a means to satisfy the tripartite mission. The parties further acknowledge the importance of all three components of the tripartite mission and will be considered at all levels of the process and that assigned workload must be fair and equitable.

10.2 WORK YEAR

10.2.1 For nine (9) month faculty the work year shall consist of two semesters including the week before the beginning of the academic year but not including scheduled holidays, Fall Break, Thanksgiving Break, Winter break and Spring Break. The members of the College shall cooperate with the Dean to ensure that there is representation at commencements of at least 15% of the members in the College.

10.2.2 Final examinations shall be given during the period of the semester set aside for such exams and not during the period set aside for instruction.
10.2.3 For twelve (12) month faculty the work year shall consist of twelve months but not including scheduled holidays.

10.3 Assignment

The average teaching load, over an academic year, shall be a maximum of twelve (12) credit hours per semester and a minimum of six (6) credit hours per semester of instruction. The decision regarding teaching load assignment between six (6) and twelve (12) credit hours will be made after discussion with the faculty member. Further adjustments in teaching assignment can be granted based upon specific justification presented by the faculty member to the department chairperson. ARPAs and department teaching needs shall be the basis for discussion regarding individual teaching assignments. This benefit is available to a member beginning with the first day of appointment. In cases where both spouses or domestic partners are members of the Bargaining Unit, only one of the spouses or domestic partners is eligible for leave under this section. No more than two (2) paid leaves under this section may be granted to a member (or collectively to both spouses or domestic partners, if both are employed by the University) during employment. Such leave will run concurrent with a member’s twelve (12) weeks of FMLA leave.

15.1.3.2 Leave – The employer will provide paid Family Childcare Leave to an eligible member for a period of up to one academic semester upon the birth or adoption of a child. During such leave, the member will receive full salary and benefits. For nine (9) month faculty, leave may be taken in either Fall or Spring semester. For twelve (12) month faculty, leave may be taken in either Fall or Spring semester or Summer term.

15.1.3.3 Upon confirmation of pregnancy or adoption, a member who intends to request leave under this section must provide his/her Department Chair with written notification of the pregnancy or intention to adopt and a certificate from the treating physician or Advanced Practice Registered Nurse, or adoption agency identifying the expected time of childbirth or adoption as soon as is reasonably practical to provide appropriate time for all parties to plan for the expected leave. To request leave under this section, the member must submit a leave request form to his/her
Department Chair. The Chair will process the request for leave by forwarding the form to the appropriate Dean or Administrator and to the Employer’s Designee. The approved leave form will specify the period for which leave has been requested and approved under this article. Thereafter, any requested change in the date of return by the member must be communicated to his/her chair in writing at least thirty (30) days prior to such date. Any request for additional time will be reviewed under section 15.1.1.3 of this article.

15.1.3.4 For each semester a bargaining unit member uses leave under this article, he/she is obligated to return to full time service at the University for one academic year or reimburse the University for the salary they received while on leave. In exceptional circumstances, the University may waive this requirement, for example in cases of the birth of a severely disabled child, whereby the faculty member is not able to return to work, or whereby the mother is permanently incapacitated following the birth.

15.1.3.5 Impact on Probationary Period - An untenured faculty member who takes leave under this section before being reviewed for tenure can request in writing that her/his probationary period be extended. This process will effectively stop her/his "tenure clock" and grant the faculty member an additional semester that will be added to her/his probationary period. A form will be placed into the faculty member’s dossier to note such stoppage of the tenure clock. The maximum time allotted for extension of the probationary period will be a total of two semesters (i.e. for two separate maternity/paternity leaves).

It should be noted that the evaluation for tenure is an annual process governed by the collective bargaining agreement. Therefore, a faculty member who stops his/her tenure clock will be evaluated in the seventh year.

15.1.3.6 Evaluation - All evaluations of teaching, professional activity, service, used for promotion, renewal, merit, dean’s merit, professional assessment and/or special assessment, shall remain unaffected by leave under this article except for in the manner described below. No negative impact shall occur in any evaluation as a result of such leave.

For the purpose of annual evaluation, a faculty member who takes leave under this section will only be evaluated for one semester (the semester in which she/he was not on such leave) and the score she/he receives will be based only on that semester. If a faculty member on leave under this section feels that she/he received a negative evaluation because of such leave, he/she may grieve the evaluation.
15.1.4 JURY DUTY

Members who are called for jury duty or subpoenaed by any legislative, judicial, or administrative tribunal, will be allowed time away from work with pay for such purposes. Members shall present a copy of the appropriate notice to appear to their department chairperson or other immediate supervisor and, when possible, do so at least three (3) work days prior to the date the member is to be absent from work. Upon returning to work, the member shall present appropriate documentation of the member's appearance.

15.1.5 HOLIDAYS

15.1.5.1 Members shall observe the holidays specified in Sections 124.19 (A) & (B), Ohio Revised Code, as it may be amended, on the same dates as are determined by the University for the academic calendar. A holiday that falls on a Saturday will be observed on the preceding Friday. A holiday that falls on a Sunday will be observed on the succeeding Monday.

15.1.5.2 Since many religious observances occur on days not designated as legal holidays, the University shall be flexible in accommodating member’s religious observances.

15.1.6 SABBATICAL LEAVE

15.1.6.1 A member shall be eligible to take a sabbatical leave in the member's seventh or later year of full-time service and again every seventh year after receiving a sabbatical leave.

15.1.6.1.1 Instructors in the College of Nursing shall not be eligible for sabbatical leaves.

15.1.6.2 The purpose of a sabbatical leave shall be to enable the member to pursue interests that contribute to the member's professional development through research, study, writing, or the acceptance of special assignments or fellowships and similar activities which will enhance the performance of the member's academic duties thus improving the reputation of the department or program.

15.1.6.3 A sabbatical leave may be granted to accept a temporary foreign teaching assignment or a recognized grant. In such cases the sum paid by the University shall be the difference between the grant or foreign salary and the member's regular University salary.

15.1.6.4 Sabbatical leaves shall not be used for the purpose of carrying out the paid duties of a faculty member at another college or university in the United States of America or to complete requirements for a higher degree.
15.1.6.5 A member may seek a sabbatical leave by submitting a formal application and proposal to the member's department chairperson. The department chairperson shall review the proposal and affix a recommendation to the dean of the member's college. The dean shall then review the proposal, affix a recommendation and forward the proposal and all recommendations to the University Committee on Sabbaticals (UCS), which will make its recommendation to the Provost, who will in turn make recommendation to the President. Members shall be notified of all recommendations on their sabbatical applications at the time those recommendations are sent forward.

15.1.6.6 Applications must be submitted in the year preceding the one in which the sabbatical leave is to be taken. Applications shall be processed according to the schedule and on the forms issued by the Provost annually at the beginning of the academic year.

15.1.6.7 The formal application shall include a statement concerning the activity which the member proposes to pursue during the sabbatical leave, the purpose of such activity, the length of time for which leave is sought, and the dates of the proposed leave.

15.1.6.8 When recommending approval of sabbatical leave proposals, Department Chairpersons and Deans shall also certify that the instructional obligations of the member's department can be met. If all applicants in a department cannot be accommodated because of bona fide instructional obligations, positive recommendations shall be determined in the following order:

First, members who have never had a sabbatical;

Second, members with the longest time since their last sabbatical; and

Third, members with the longest continuous full-time service in the department.

15.1.6.9 The University Committee on Sabbaticals (UCS) shall consist of faculty members who have had sabbaticals at the University, one (1) from each college with the faculty under the jurisdiction of the University Committee on Sabbaticals and (1) from the library faculty all of whom shall be elected by the Faculty Senate. Members of the USC shall serve a term of three (3) academic years beginning July 1, with one third (1/3) of the members retiring each year.
15.1.6.10 The President's recommendations shall be presented to the regular February meeting of the Board. Members will be notified after the Board has approved such leaves.

15.1.6.11 A request for a change in a sabbatical leave proposal before the original leave has been approved by the Board shall result in voiding all recommendations and require that the revised proposal go through the entire review process anew.

15.1.6.12 A request for a change in a sabbatical leave proposal after the original leave has been approved by the Board shall be considered only for changes in dates and then only upon the recommendation of the Provost and the President.

15.1.6.13 Exceptions to the above may be made by mutual agreement of the parties hereto.

15.1.6.14 The compensation schedule displayed below shall be used for members who receive sabbatical leaves:

15.1.6.15 Members who accept a sabbatical leave shall be obliged to return to full time service at the University for two (2) consecutive semesters or the equivalent as enumerated in sections 15.1.6.1, 15.1.6.2 and 15.1.6.3, thereafter or reimburse the University for the salary they received on the sabbatical leave.

15.1.6.15.1 Nine (9) month faculty members, who return from sabbatical, shall provide full time service at the University for two consecutive semesters excluding summer term.

15.1.6.15.2 Twelve (12) month faculty members, who return from sabbatical, shall provide full time service at the University for two consecutive semesters including summer term.
15.1.6.15.3 Twelve (12) month Library Faculty, who return from sabbatical, shall provide full time service at the University for 32 consecutive weeks, irrespective of term.

15.1.6.15.4 Within ninety (90) days of completion of a sabbatical leave a member shall submit to the Provost a full written report detailing how the member has fulfilled the terms of the sabbatical leave proposal the member submitted under section 15.1.6.5. A member who fails to submit a satisfactory report shall be required to reimburse the University for the salary received during the sabbatical leave.

15.1.6.16 The President shall determine the number and distribution of sabbatical leaves to be recommended to the Board using the number of sabbaticals granted over the preceding five (5) years as a basic guideline.

15.1.6.17 Sabbatical leaves shall not be considered a break in continuous service.

15.1.6.18 Approval of sabbatical leave proposals shall be the sole discretion of the President and the Provost with due consideration of the guidance provided by the UCS and section 15.1.6.16.

15.2 PAID OR UNPAID LEAVE

15.2.1 Special Assignment Leave – A Special Assignment Leave (SAL) shall utilize the member’s specialized skill(s) and expertise; said leave may be paid or unpaid.

15.2.2 A “Special Assignment Leave” shall be approved by the Chair and the Dean, whereby the member’s assignment while on said leave is determined to be in furtherance of the College mission. Within ninety (90) days of completion of the Special Assignment Leave a member shall submit to the Chair of the Department and the Dean a full written report detailing how the member has fulfilled the objective(s) of the Special Assignment Leave.

15.3 UNPAID LEAVE

15.3.1 LEAVE OF ABSENCE

15.3.1.1 Members may request leave of absence without pay for any purpose mutually agreed to by the University and the member. A written leave of absence agreement, specifying the purpose and length of the leave must be executed by the member, the member’s chair and the Dean of the member’s college and approved by the Provost. The written agreement shall expressly state whether the leave will be included or excluded from the probationary period as described in Article 8, section 8.1.5. Such
leave shall normally be for one (1) calendar year or less, but may be by
mutual agreement extended in writing by the University and the
member. Such leave shall not exceed two (2) calendar years.—Ultimate
authority to grant such leave is discretionary with the Board. Ninety (90)
days before the expiration of such a leave members must indicate in
writing to their department chairperson, or other equivalent supervisor,
their intention of returning to work. Once granted, a leave of absence
may be shortened only upon agreement between the University and the
member. A request for such leave shall not unreasonably be denied.

15.3.1.2 Following the birth of a child, that child’s faculty member parent who
has exhausted paid sick leave will be entitled to leave without pay for
the remainder of the then current academic term for purposes of child
care.

15.3.1.3 A member on an unpaid leave of absence does not earn sick leave or
vacation. A member on an unpaid family medical leave shall maintain
University insurance coverage until the Family Medical Leave expires.
A member on an unpaid leave of absence shall have the option to
maintain University insurance coverage at the group rates at the
member’s expense. A member shall accrue seniority on such leave.

15.3.2 MEDICAL LEAVE

A leave of absence without pay may be granted to any member for medical reasons,
when justified by their state of health and when recommended by their physician(s)
and/or Advanced Practice Registered Nurse(s) (APRN(S). Unpaid medical leave may
begin only after all accumulated sick leave has been used. Such leaves may not exceed
two (2) calendar years. A member shall submit a release from their physician or
Advanced Practice Registered Nurse stating that the member’s state of health is such
that the member may return to work to the Employer’s Designee prior to the member
returning to work. A member must return to work when released by his/her attending
physician or Advanced Practice Registered Nurse in order to retain employment status.
Notice of at least ninety (90) days shall be required for return to active status, unless
waived by the University.

A member on a medical leave does not earn sick leave or vacation. A member who is
on an unpaid family medical leave shall maintain University insurance coverage until
the Family Medical Leave expires. A member on a medical leave after the expiration
of a Family Medical Leave shall have the option to maintain University insurance
coverage at the group rates at the member’s expense. The members shall accrue
seniority while on such leave.

15.4 ABSENT WITHOUT LEAVE / FAILURE TO RETURN FROM APPROVED LEAVE
A member who absents him or herself from duty without an approved leave of absence under this Article or who fails to return to duty at the conclusion of a leave approved under this Article is subject to Corrective Action under the provisions of Article 18 – Corrective Action.

15.5 BEREAVERSMENT LEAVE

In the case of death within the immediate family of a Member, defined as spouse, domestic partner, domestic partner’s immediate family (as herein defined), parents, children, grandparents, siblings, grandchildren, brother-in-law, sister-in-law, daughter-in-law, son-in-law, mother-in-law, father-in-law, or a legal guardian or other person who stands in the place of parent (in loco parentis), five days of paid bereavement leave (not charged to sick leave) are available.

ARTICLE 16
OUTSIDE EMPLOYMENT and ACTIVITIES

16.1 “Outside employment” means employment, including self-employment, which is not contracted for through the University and for which any remuneration paid is not paid through the University.

16.1.1 Members are expected to devote their professional efforts during the academic year to regular University assignments. Members shall not engage in outside employment nor participate in activities that interfere with the member’s full time responsibility.

16.1.2 A member may with prior written administrative approval, which shall not be unreasonably denied, devote additional time to other employment. Approval will not be denied unless it can be established that outside employment will interfere with members' University responsibilities.

16.1.3 A member who intends to engage in outside employment shall promptly report in writing the nature and extent of the proposed commitment to the member's department chairperson or appropriate supervisor on the annual reporting form. Such reporting shall be renewed each academic year. Such reporting will only be required on an annual basis unless the extent of outside employment changes significantly in the interim. The chairperson or appropriate supervisor shall forward a copy of all approved applications to the appropriate dean and the Provost.

16.1.4 A member engaged in outside employment or activities, with or without compensation, shall not use the name of the University to suggest institutional endorsement or support of a non-University enterprise nor the name of the University on stationery, business cards, or promotional literature for such outside activity. However, the member can utilize his/her University title for
identification purposes. A member shall not teach regular classes at another college or university during the academic year without prior written approval by the Provost.

16.1.5 Before University space, services, supplies or equipment may be used in the performance of any outside activity; written permission must be obtained in advance from the Dean. Appropriate usage fees must be disclosed in writing to the member, who will then be responsible for payment to the University for any such space, services, supplies or equipment used.

16.2 Clinical Work

16.2.1 A member’s assignment may include a clinical component which assignment is not considered outside employment under this Article and, further, the member is not entitled to additional compensation beyond the member’s salary, unless otherwise agreed to in writing signed by the Dean prior to the assignment. However, a member may engage in outside employment beyond the clinical assignment for the same entity owning or leasing the facility where the clinical assignment is located but in such circumstances, the member shall obtain prior written approval in accordance with the requirements of this Article.

16.2.2 When a member engages in outside employment in order to maintain their Certificate of Authority (COA), the member is not covered by the Employer’s liability insurance.

ARTICLE 17
DISCOVERIES, INVENTIONS, PATENTS AND COPYRIGHTS

17.1 DISCOVERIES, INVENTIONS OR PATENTS

17.1.1 The parties agree to incorporate by reference herein Ohio Revised Code §3345.14, which is included as Appendix E to this Agreement.

17.1.2 Recognizing that time is of the essence in the protection of the legal interests of both the University and its employees in their discoveries, inventions or patents, it shall be the duty of each member to:

17.1.2.1 Report in writing to the body established by the BOT to consider patent matters, all discoveries, inventions or patents resulting from research or investigations made as set forth in sections 17.1.1 and 17.1.2 above as soon as practical and prior to public disclosure after the conception or reduction to practice of the discovery, patent or invention. Such report shall include all the information requested in a standard disclosure form promulgated by the BOT, or its appointed designees, to consider patent matters.
17.1.2.2 Cooperate with agents of the BOT to secure all legal protection for such
discoveries, inventions, or patents including preparation and signing of
all papers attendant thereto.

17.1.2.3 Assist the University in perfecting its ownership interests in patents by
executing the appropriate assignment documents.

17.1.2.4 Cooperate with and assist the BOT, or its appointed designees, to enable
the evaluation, marketing and licensing of the submitted discovery,
invention or patent.

17.2 COPYRIGHTS

17.2.1 In accordance with the custom established in institutions of higher education,
copyright ownership of textbooks and manuscripts and royalties resulting
therefrom belong to the author(s) thereof unless the copyrightable material is
generated with significant use of University facilities or significant financial
support from the University. Such materials or works shall include member-
authored books, journal articles, research studies, musical works, syllabi, distance
learning courses, workbooks, examinations, and tests.

17.2.1.1 “Significant use” shall mean the use of University-owned facilities or
agencies by the member, without payment to the University, in which
more than fifty percent (50%) of the cost of creating the work in its final
form is borne by the University.

17.2.1.2 “Significant financial support” shall mean University financial support
in the form of money or released time beyond the normal assignment or
salary, which constitutes over fifty percent (50%) of the cost of creating
the work in its final form.

17.2.2 A copyrightable material or work shall be owned by the university if:

17.2.2.1 The work is prepared by a member, entirely as a part of the member's
designated duties as an employee, as a work made for hire; such works
made for hire as a part of the member's designated duties shall not
include those originated by a member as described in section 17.2.1
above.

17.2.2.2 The author or creator of the material or work has been specially ordered
or commissioned by the University to create or produce the materials for
which the member received compensation from the University other
than or in addition to normal assignment or salary from sources
administered by the University or State of Ohio.
17.2.2.3 Bargaining unit members shall use the following notice when displaying University-owned copyrighted material: “Copyright or © (year), The University of Toledo. All rights reserved.”

17.2.2.4 Notwithstanding the above, the University may contract for sponsored research or investigation which includes the use of its facilities and/or employee's services and in which the ownership of copyrightable subject matter resulting from such sponsored research is at variance from sections 17.2.1 and 17.2.2 above.

17.3 The legal title to all University owned inventions, discoveries, patents and copyrightable works and materials upon creation shall be vested in the University. Such title shall be vested either by operation of law or by express assignment of the patent or copyright by the inventor or author.

17.4 In the event that income is derived through the external licensing, use, sale or other disposition of University owned inventions, discoveries, patents or copyrightable works or materials, such income shall be allocated as follows:

17.4.1 The inventor(s) or author(s) of such income producing inventions, discoveries, patents or copyrightable works or materials will be first reimbursed for any direct out-of-pocket expenses incurred in the preparation of such inventions, discoveries, patents or copyrightable works or materials, provided that the necessary records and receipts are submitted to and approved by the Provost or designee.

17.4.2 Remaining income, after paying the inventor's or author's direct out-of-pocket expenses, shall be retained by the University until it recovers all its direct expenses associated with the creation, marketing and licensing of the inventions, discoveries, patents or copyrightable works or materials.

17.4.3 Further income, after the University has recovered its direct expenses, shall be divided between the University and the inventor(s) or author(s) of the inventions, discoveries, patents or copyrightable works or materials in the following manner. Forty percent (40%) of the net remaining funds will be distributed to the inventors in recognition of and reward for initiative. An additional ten percent (10%) of the net funds will be placed in an account to support the inventor’s ongoing University research; five percent (5%) of the net funds will be placed in an account to be used for College purposes by the Dean(s) of the College(s) in which the inventor(s) has (have) primary appointment; five percent (5%) the net funds will be placed in an account to be used for departmental purposes by the Chair(s) of the Department(s) in which the inventor(s) has (have) primary appointment; and the balance of the net funds will accrue to the University.
ARTICLE 18
CORRECTIVE ACTION

18.1 The Employer shall not impose discipline except for just cause. The employer subscribes to the principles of progressive discipline except in instances when summary action is called for. Any disciplinary action shall be predicated upon written charges.

18.2 When the Employer has reason to believe an incident(s) has occurred which might constitute grounds for discipline, it shall investigate prior to the application of section 18.3 below. Interviews with the member and others may be conducted during any such investigation. Before any investigative interview occurs with a member under investigation, and/or when a member is advised that he/she is subject of an investigation under an Employer policy, an Employer representative will advise the member in writing of the member’s right to be represented by the UT-AAUP and/or its legal representative during any interview and/or at any meeting or hearing that the member has with the investigating body. An interview conducted pursuant to an Employer policy including but not limited to policies on sexual harassment or misconduct in research, is an “investigative interview.”

Where the member indicates a desire to be represented by the UT-AAUP and/or its legal representative, the investigative interview or meeting or hearing will not proceed without a UT-AAUP and/or its legal representative in attendance. Notwithstanding, in no event shall the Employer have to delay or postpone a specific interview or meeting or hearing more than once to allow for such representation.

If the Employer interviews the member as part of the investigation, the Employer will inform the member of his or her Garrity Rights prior to the interview that it is being conducted as part of an investigation that could result in disciplinary action against the member. The member will also be advised that (1) his or her statements during the interview will not be used against him/her in any subsequent criminal proceedings that might take place, and (2) his or her failure to answer questions during the interview will subject him or her to disciplinary action up to and including termination of employment.

18.2.1 When, in the judgment of the President, or designee, the presence of a member on Employer property presents a threat to the health or safety of the member or other members of the University community or represents a threat of substantial disruption or substantial interference with the normal and lawful activities of any member or of the University community as a whole, the President, or designee, may suspend the member pending the disposition of the disciplinary process provided for under this Article. Such suspension shall be with pay. The President, or designee, may also direct that the member be removed and barred from Employer property.

18.3 The recommendation of any person, committee, panel or council, authorized by Employer Policy to discipline a member (including termination), shall be forwarded to
the Office of the Provost. In such event a pre-disciplinary hearing shall be convened to
discuss the charges against the member and provide the member with an opportunity to
present the member's case. The member shall be given the opportunity to be accompanied
by an UT-AAUP representative and/or its legal representative. The Employer shall notify
the member and the UT-AAUP in writing at least seven (7) days prior to the pre-
disciplinary hearing, of the purpose of the meeting, the charges under consideration and
the member’s right to be accompanied by the UT-AAUP at the pre-disciplinary hearing.
Upon written request, the Employer will provide the member or the UT-AAUP any
public record as defined in ORC Section 149.43 that the Employer has relative to the
charges against the member.

Prior to the pre-disciplinary hearing, the Employer will advise the member of his or her
Garrity Rights, i.e. (1) his or her statements during the hearing will not be used against
him/her in any subsequent criminal proceedings that might take place, and (2) his or her
refusal to answer questions during the hearing will subject him or her to disciplinary
action up to and including termination of employment.

An Employer representative, who has not previously participated in the investigation at
issue, will conduct the pre-disciplinary hearing. The member and the UT-AAUP will be
provided with notice of the disposition of the charges within thirty (30) days (or such
longer time as may be specified in the Employer policy) after the close of the pre-
disciplinary hearing. If the disposition includes a recommendation of disciplinary action,
such discipline shall be implemented as set forth in section 18.4.

18.4 Reprimands may be issued to a member by the member's dean, the Provost, or the
President. Suspension of members may only be issued by the President, or designee.
Dismissal of members for cause may only be implemented by a formal written Notice of
Dismissal, together with reasons therefore and a bill of particulars, issued by the
President. Discipline issued under this article can be grieved on substantive and
procedural grounds at the external arbitration level pursuant to Article 20, section 20.6.

18.5 The Employer and UT-AAUP shall exert their best efforts to keep any or all allegations,
including sexual harassment, made against a member of the Bargaining Unit confidential
unless and until a final decision is rendered by appropriate authority determining the guilt
or innocence of the member of the Bargaining Unit.

18.6 Evaluations and assessments shall not be construed as discipline.

18.7 In the rare instance, when this Article is used as a result of the process outlined in Article
9, section 9.7 (Professional Assessment) or section 9.5 (Special Assessment), the
Employer recognizes that such use is a last resort. If corrective action is necessary under
the cited Articles, it shall be applied after all grievances on the issue have been resolved.
ARTICLE 19
FINANCIAL EMERGENCY PRINCIPLES AND PROCEDURES

19.1 Should the Employer reasonably anticipate the existence of a financial crisis of such severity that it cannot be alleviated without terminating the appointments of members ("financial emergency"), the data upon which this anticipation is based and the savings which the Employer deems necessary to effect shall be presented to the UT-AAUP. The Employer shall also provide any relevant additional information in its possession which the UT-AAUP may request within ten (10) calendar days following the receipt of the initial Employer data. The Board shall not act upon recommendations from either party until the Financial Emergency Implementation Committee (FEIC) described below has made its recommendation or sixty (60) calendar days have passed from the Board's full provision of data to UT-AAUP whichever is sooner. No layoff of members will take place until full implementation of this Article is completed.

19.2 Upon declaration by the Board that a financial emergency exists, the Provost or designee and the President of UT-AAUP will be charged with establishing a Financial Emergency Implementation Committee (FEIC) which shall have equal representation by the parties. The Provost or designee and the President of UT-AAUP shall monitor the process and plans of the FEIC and assure that the FEIC accomplishes the following:

19.2.1 Make recommendations of alternatives which would result in minimum deterioration of existing academic programs and which would not sacrifice the University's long-term fiscal health in order to solve a short-term financial problem (The FEIC shall not consider the possible methods used to relieve the financial emergency listed below in any kind of priority ranking);

19.2.2 Investigate and recommend ways to relieve the emergency by means of initiating mechanisms for income generation;

19.2.3 Investigate and recommend ways to relieve the emergency by means of cost-reduction methods, including: reduction of support staff and administrative personnel and services; encouragement of voluntary early faculty retirement, leaves of absence, and resignations through financial inducements including “buy-out” plans; reduction in internal funds allocated to research and equipment; reduction in the number of graduate assistants; replacement of part-time, visiting, retiring, superannuate, resigning and non-tenured faculty with existing tenured faculty members where qualified to teach, across-the-board concessions with respect to salaries and/or fringe benefits by administrative, staff and faculty personnel; planning and implementation of long-term reduction in size or elimination of colleges, departments or parts of departments, programs or parts of programs where the educational mission of the institution as a whole would not be jeopardized;

19.2.4 Investigate and recommend elimination of inessential activities.
19.3 The FEIC shall make a good faith effort to arrive at its recommendations within a sixty (60) calendar day period from the Board's full provision of data to UT-AAUP regarding the anticipated financial crisis, or any extension thereto which may be granted by the Board.

19.4 If the recommendation involves the reduction or discontinuance of a program, department or college, the FEIC shall establish its priorities based upon the long-term enrollment projections, the role of the programs in fulfilling the missions both of the University as a whole and the continued accreditation of academic units and the effect on joint programs with other institutions and the impact on the students registered in the programs. Should retrenchment in academic programs become necessary, due consideration shall be given to providing for students enrolled in those programs to complete the requirements of the program.

19.5 Should the Board determine that the recommendations of the FEIC are not sufficient to relieve the financial emergency, the Board shall have the right to act on its own initiative as to layoffs but, nevertheless, shall apply the principles specified in this Article. There shall be full disclosure of the financial data, rationale, and resulting decisions based on the Board's deliberations. Efforts shall be continued to encourage early voluntary retirements, leaves of absence and resignations. In the case of members designated for layoff, every effort shall be made to bring about their reassignment, accompanied by appropriate retraining, to open faculty positions in other programs.

19.6 Normal attrition is the preferred approach to the extent that it will assist in relieving the financial emergency. Recognizing that layoff of members is the last action to be taken under financial emergency; the following steps shall be taken in order:

19.6.1 The teaching of overloads in an affected discipline shall be eliminated.

19.6.2 Any category of faculty other than full-time shall be released first.

19.6.3 Non-tenured members in an affected department shall be laid off before tenured members in that department. The order of layoff in a department shall be: non-tenured, non-tenure track and non-bargaining unit faculty starting with part-time faculty and/or visitors; members of the Lecturer's bargaining unit within the department, in inverse order of full time continuous service to the University; tenure-track faculty; and tenured faculty.

19.6.4 Tenure-track members in an affected department with the least amount of full time continuous service at the University shall be laid off in advance of those with more full time continuous University service.

19.6.5 Tenured members in an affected department with the least amount of full time continuous service at the University shall be laid off in advance of those with more full time continuous service.
19.6.6 Where the length of continuous University service is equal, academic rank, if unequal, shall be taken into account, with the person with lower rank preceding a person with higher rank in the order of layoff.

19.6.7 Any tenured member scheduled for layoff who is qualified to teach in a different department or college can “bump” tenure-track faculty in said department or college.

19.6.8 The Employer shall not appoint new faculty while members are laid off within the periods specified in 19.9 below except in extraordinary circumstances where the FEIC agrees that a serious impairment of retained academic programs would otherwise result and reassignment of faculty members designated for layoff has been considered as a solution.

19.7 Laid off members shall have the right of expedited use of the grievance procedure herein as to whether the principles of this Article have been properly applied in their case.

19.8 If a member is laid off under the terms of this Article, the faculty member shall receive notice, or salary in lieu thereof, in accordance with the following schedule:

19.8.1 At least three (3) months if the final decision is reached by March 1 (or three (3) months prior to the expiration) of the first year of probationary service, if the member is tenure-track;

19.8.2 At least six (6) months, if the decision is reached by December 15 of the second year (or after nine (9) months, but prior to eighteen (18) months) of probationary service, if the member is tenure-track;

19.8.3 At least one (1) year, if the decision is reached after eighteen (18) months of probationary service, if the member is untenured;

19.8.4 Completion of the current academic year plus one (1) year, if the member is tenured; provided, nevertheless, that no salary or notice is required beyond the term to which an untenured member has most recently been appointed.

19.9 If an untenured member is laid off before the end of the period of an appointment, or if a tenured member is laid off, under the terms of this article, the University may not fill a position in a discipline in which a released member is qualified to teach unless the released member has been offered reappointment and has been given at least thirty (30) calendar days within which to accept or decline the reappointment. This restriction on filling positions shall be in effect for a period of one (1) year from the date of the layoff of the untenured member, and for a period of three (3) years from the date of the layoff of the tenured member. A member thus recalled shall be recalled with all time restored for seniority and retirement purposes.
19.10 Upon the effective date of layoff of a member, under the terms of this Article, the right of that member's access to space, services, resources and equipment (or their equivalent) to which the member was entitled prior to layoff shall be honored, for a period up to three (3) years, to the extent of availability. Such a laid off member shall have the right to continue to participate, at the member's expense, at the University group rates, in the University's life insurance, medical/dental/vision benefit programs and shall continue to enjoy tuition waiver privileges available to members for a period of up to three (3) years.

ARTICLE 20
GRIEVANCES

20.1 The parties agree that, whenever possible, disputes should be resolved informally at the lowest level. To that end, all members and administrators are encouraged to engage in free and open communication in the airing of differences.

20.2 DEFINITIONS

20.2.1 A "grievance" is a complaint or allegation by a member or members, or by the UT-AAUP that there has been a violation, misinterpretation or improper application of the provisions of this Agreement. Unless specifically modified within this Agreement, all provisions of this Agreement are subject to this Grievance Procedure.

20.2.2 Non-renewal and adverse promotion and tenure decisions are grievable only following the Provost's recommendation for non-renewal or against promotion or tenure; recommendations made at lower levels of review are subject to reconsideration as set forth in Section 9.2, of this Agreement.

20.2.3 Merit grievances shall be heard at first step by the Dean of the College in which the aggrieved faculty member teaches. If the Dean’s response is unacceptable to the aggrieved faculty member, the grievance shall be heard by a special merit appeal committee comprised of three (3) UT-AAUP representatives and three (3) UT Administrators. There shall be an alternate member for UT-AAUP and for UT Administrators who shall serve in cases where one of the other members is unavailable or prohibited (see below) from hearing the grievance.

The merit appeal committee shall be a standing committee at the University level. If a committee member has participated in the same year’s merit consideration for the grieving faculty member, at any level, the committee member shall abstain from participation in the merit appeal and shall be replaced by the appropriate alternate.

The merit appeal committee shall hear the grieving faculty member’s case and shall issue a written decision explaining their findings within thirty (30) days of hearing the case. The decision of the merit appeal committee shall include a final
merit score for the grieving faculty member, and the score is final and binding. Merit grievances may not be appealed to external arbitration or any other forum.

20.2.4 The time limits indicated in this Article shall be considered maximum unless extended by mutual agreement in writing.

20.2.5 Upon failure of a hearing officer to provide a written response to the offices of the UT-AAUP and the Employer’s Designee and the grievant within the time limits provided in this Article, the Union may appeal to the next step.

20.3 If the matter is not resolved informally, a formal grievance may be filed. The official grievance form in Appendix D must be used to file the grievance.

20.3.1 INITIAL FILING

The aggrieved member(s) shall present the grievance through UT-AAUP, in writing, on the official grievance form to the Employer’s Designee within twenty (20) days following the act or omission giving rise to the grievance, or the date the member(s) knew or could reasonably have been expected to know of such act or omission. The written grievance on the official grievance form in Appendix D shall state the nature of the grievance, the dates when the act or omission giving rise to the grievance occurred, the contractual provisions allegedly violated, the remedy sought and be signed by the grievant. The Employer’s Designee will review the grievance and promptly forward the grievance to the appropriate supervisor, i.e. the lowest level of Administration with authority to resolve the grievance, for hearing within ten (10) days of receipt, with notice to the grievant(s) and the UT-AAUP.

20.3.2 DEPARTMENT CHAIRPERSON

Upon receipt of a grievance from the Employer’s Designee, the Department Chairperson, or other appropriate immediate supervisor, shall arrange for a meeting with the grievant and a UT-AAUP representative, to take place within ten (10) days, to discuss and attempt to resolve the grievance. If attempts to resolve the grievance are unsuccessful, within ten (10) days following the meeting, the supervisor hearing the grievance shall send a written response to the grievance, including reasons, on the original grievance form, to the Employer’s Designee with concurrent copies to the grievant and UT-AAUP. If the grievant or the UT-AAUP does not accept the decision provided at this step, either may, within ten (10) days, appeal, on the appeals form, to the Employer’s Designee to have the grievance reviewed at the level of Dean. The Employer’s Designee shall then promptly forward the grievance to the appropriate dean within ten (10) days.

20.3.3 DEAN

Upon receipt of a grievance from the Employer’s Designee, the dean shall arrange for a meeting with the grievant and a UT-AAUP representative, to take place
within fourteen (14) days, to discuss and attempt to resolve the grievance. If attempts to resolve the grievance are unsuccessful, within fourteen (14) days following the meeting, the dean hearing the grievance shall send a written response to the grievance, including reasons, on the original grievance form, to the Employer’s Designee with concurrent copies to the grievant and the UT-AAUP. If the grievant or the UT-AAUP does not accept the decision provided at this step, either may, within ten (10) days, appeal, on the appeals form, to the Employer’s Designee to have the grievance reviewed by the Provost. The Employer’s Designee shall then promptly forward the grievance to the Provost within ten (10) days.

20.3.4 PROVOST

Upon receipt of a grievance from the Employer’s Designee, the Office of the Provost shall arrange for a meeting between the Provost or designee and the grievant and a UT-AAUP representative, to take place within fourteen (14) days, to discuss and attempt to resolve the grievance. If attempts to resolve the grievance are unsuccessful, within fourteen (14) days following the meeting, the Provost or designee shall send a written response to the grievance, including reasons, on the original grievance form, to the Employer’s Designee with concurrent copies to the grievant and the UT-AAUP. If the UT-AAUP does not accept the decision provided at this step, it may appeal to external arbitration or in the matter of a tenure or promotion decision to the Internal Arbitration Board (IAB).

20.3.5 INTERNAL ARBITRATION BOARD

Subject to Article 20.4, the IAB shall only have jurisdiction to hear grievances on tenure or promotion decisions. The IAB shall convene within twenty (20) days of formation to hear the grievance and receive such evidence and testimony as the parties may wish to present. The IAB shall be a standing body consisting of three (3) members appointed by the Employer’s Designee and three (3) members appointed by the President of UT-AAUP. The board shall choose a chairperson from among its members. Recommendations of the IAB shall be by agreement of four (4) or more members voting by secret ballot and shall be forwarded to all parties. Recommendations-and orders shall be issued in writing within thirty (30) days after closing of the record. In the event that the IAB does not render a recommendation or if the President does not act in accordance with the IAB’s recommendation, UT-AAUP shall have the sole right to submit the grievance to final and binding arbitration by an external arbitrator, within ten (10) days after receipt of notice of the IAB's inability to reach a decision or by notice of the President’s action regarding the recommendation. The UT-AAUP shall submit their appeal to the decision by written notice to the Employer’s Designee.
20.3.6 EXTERNAL BINDING ARBITRATION

20.3.6.1 UT-AAUP shall have the sole right to submit a grievance filed by the union or a member to final and binding arbitration by an external arbitrator. Such appeal shall be filed, in writing on the appeals form, to the Employer’s Designee, within ten (10) days after receipt of the Provost’s decision.

20.3.6.2 Upon a submission to external arbitration, representatives of the UT-AAUP and the Employer’s Designee shall meet within fifteen (15) days to select an arbitrator. In the event the parties are unable to mutually agree upon the selection of an arbitrator, the selection shall be made by asking the Federal Mediation and Conciliation Service (FMCS) to provide a panel of seven (7) names. The moving party will be responsible for the cost of the initial panel. Either party has the right to request a second panel. The requesting party will be responsible for the full cost of such panel. The parties shall strike names alternatively from the panel, with the party to strike the first name determined by a flip of a coin. The union representative(s) and management representative(s) shall immediately arrange for a meeting to expeditiously select the arbitrator that satisfies both interested parties. The arbitrator's decision shall be final and binding upon the parties and shall be rendered within thirty (30) days after the arbitration hearing record is closed. The cost of arbitration shall be borne equally by UT-AAUP and the Employer.

20.4 REMEDIES

External arbitrators, IAB and all officers hearing a grievance shall be bound by the following:

20.4.1 They shall have no authority to add to, subtract from, alter, change or modify any of the provisions of this Agreement.

20.4.2 Their decisions shall be limited to only the question or questions submitted for their decision.

20.4.3 External arbitrators may not grant tenure. If an external arbitrator sustains a grievance concerning tenure, the remedy shall be that the grievant is afforded an additional probationary year and shall be re-considered for tenure in the next successive academic year to the issuance of the arbitration award. The consideration for tenure shall be in accordance with the terms of the Agreement.

20.4.4 They shall not render any decision which would result in the violation of this Agreement or a public statute or regulation.
20.4.5 They shall make no award which provides a member compensation greater than would have resulted had there been no violation.

20.5 Any grievance not otherwise specifically limited by this Agreement can be heard on substantive or procedural grounds. Grievances may be amended up to and including the Dean level.

20.6 Suspensions or dismissals may be appealed by UT-AAUP directly to external arbitration.

20.7 A member who participates in a grievance procedure will not be subject to disciplinary reprisal because of such participation.

20.8 Any relevant information in possession of the employer pertaining to a grievance that is needed by UT-AAUP to investigate and process a grievance will be provided to UT-AAUP within five (5) days of a written request.

20.9 Individual grievants may have private counsel present at their own expense in any or all grievance proceedings. However, such counsel may not participate in the proceedings except as a silent observer.

**ARTICLE 21**

**NO STRIKE/NO LOCKOUT**

21.1 The UT-AAUP and its officials will not cause, support, or condone, nor shall any member or members take part in any strike, slow down or work stoppage of any kind during the life of this Agreement.

21.2 The Employer shall not conduct a lockout of bargaining unit members during the term of this Agreement.

21.3 Any member of the bargaining unit who engages in any activity in violation of Section 21.1 above during the term of this Agreement shall be subject to discipline up to and including dismissal as determined by the University.

**ARTICLE 22**

**UT-AAUP**

22.1 The UT-AAUP shall be permitted reasonable use, to the extent permitted by law, of University facilities and services on the same basis and at the same cost as recognized campus organizations.

22.2 The Employer will make available space in University Hall to be utilized by UT-AAUP for an office. UT-AAUP shall be responsible for the costs of telephone installation and service, if same is desired by them. Should this space become unavailable because of
renovation or changes in facility usage, the Employer will make other space on Bancroft campus available.

22.3 Release Time

The UT-AAUP shall be permitted to purchase thirty-six (36) credit hours of release time for its negotiating committee members and/or officers each semester of the academic year. The UT-AAUP will pay the per credit hour cost at the base rate of $750 up to a cap of $1000 with documentation of costs above $750 for each semester.

Summer School release time shall be permitted to be purchased at the actual salary cost (cost of fringe benefits not included). UT-AAUP shall provide written notice to the Chair of the Department of the UT-AAUP officer(s) within that Department thirty (30) days prior to the commencement of the semester and/or summer school session of the UT-AAUP officer(s) who will be on release time. Once notified, the member’s teaching load will reflect the requested course release. Activities performed under this Article for UT-AAUP may be considered University service for purposes of faculty evaluation.

22.4 The regular UT-AAUP dues shall be established under the terms of the UT-AAUP Constitution and certified to the Employer by the UT-AAUP. The payroll deduction of the regular UT-AAUP dues or Fair Share Fees shall be made on each pay day in each month during which the member is in active pay status.

22.4.1 Effective sixty (60) days following the beginning of employment, members of the bargaining unit who are not members of the UT-AAUP shall pay to the UT-AAUP a Fair Share Fee. This does not require any member of the bargaining unit to become a member of the UT-AAUP, nor shall the Fair Share Fee exceed dues paid by members of the UT-AAUP who are in the bargaining unit. The UT-AAUP shall prescribe an internal rebate procedure which conforms to Federal Law and to § 4117.09 (C) Ohio Revised Code. The deduction of a Fair Share Fee from the payroll checks of members of the bargaining unit and its payment to the UT-AAUP is automatic and does not require the authorization of the member. Payments by members holding religious conscientious objections shall be governed by § 4117.09 (C) Ohio Revised Code. No member of the bargaining unit shall be required to become a member of the UT-AAUP as a condition for securing or retaining employment.

22.4.2 The UT-AAUP shall indemnify the Employer against any and all claims, demands, suits, or other forms of liability or costs that arise out of, or relate to, any action taken or not taken by the Employer for the purpose of complying with the provisions of this Article.

22.4.3 The Employer agrees to make every effort to forward checked-off dues to the UT-AAUP within two weeks following the second pay day of each month, but no later than thirty (30) days.
ARTICLE 23
ENTIRE AGREEMENT

23.1 The parties acknowledge that each had the full right to make proposals with respect to any subject, and that, after exercising that right, all the parties’ understandings are set forth in this Agreement. The terms of this Agreement may be altered, changed, added to, deleted from, or modified only through the voluntary mutual consent of the parties in a written and signed amendment to this Agreement.

ARTICLE 24
SEPARABILITY

Should any portion of this Agreement be found by a duly constituted court or regulatory authority to be in conflict with any applicable law or public regulation, then such conflicting portion of this Agreement shall be rendered null and void and the applicable law or regulation shall be controlling. In such event, upon request of either party, the parties shall commence good faith bargaining for replacement language.

The invalidation of any portions of this Agreement in accordance with this Article shall not affect the legality and enforceability of the remainder of this Agreement.

ARTICLE 25
LABOR-MANAGEMENT MEETING

The parties agree to hold monthly Labor-Management meetings at mutually agreed upon times scheduled between the Employer’s designee and UT-AAUP President or designee. The parties will exchange agendas at least two (2) days prior to the scheduled meeting time. Additional meetings may be scheduled by mutual agreement.

ARTICLE 26
TERM OF AGREEMENT

Upon ratification by the UT-AAUP and the Board of Trustees, the Agreement will be effective retroactive to July 1, 2014.

The Agreement shall remain in effect through June 30, 2017, upon which time the second Agreement will become effective from July 1, 2017 through June 30, 2018. The parties agree to commence negotiations for a successor agreement no later than March 1, 2018, subject to the provisions of ORC Chapter 4117.
ARTICLE 27
DISTRIBUTION OF AGREEMENT

Within thirty (30) calendar days after this Agreement has been ratified and signed by the parties, the University shall have this Agreement printed at its expense and use its best effort to have this Agreement distributed to all currently employed UT-AAUP bargaining unit members. Thereafter, the University shall use its best efforts to provide to any new members a copy of this Agreement within fifteen (15) days of employment.

In the event a member does not receive this Agreement as provided above, the University shall distribute one to such member within ten (10) days of employer’s designee being informed that such member did not receive the Agreement. If the UT-AAUP requests additional copies of the agreement, such copies shall be provided and the UT-AAUP will reimburse the University of Toledo the actual cost for reproduction.

ARTICLE 28
DISTANCE & E-LEARNING

Distance learning is an alternative delivery mode of educational instruction that is afforded the same status, and will follow the same policies and procedures for purposes of this Agreement, as traditional classroom teaching with regard to both faculty rights and the role and responsibilities of the department chair.

28.1 Development of a distance and e-learning course (“DL”) or substantial revision to an existing DL course receiving significant financial support as set out in Article 17 must be approved by the Program Director, if applicable, the Department Chair and the Dean of the College. The development of new distance and e-learning program(s) and the courses associated with the new program(s) are subject to the same department, college and university procedures for review and approval as traditional classroom course(s). Bargaining unit members have the right of first refusal with regard to the development of new DL courses, new DL versions of courses or the substantial revision of an existing DL course.

28.2 Approval for significant financial support to develop or substantially revise an existing DL course will be made by the Provost or designee. Article 17 shall govern the ownership of the work product and course materials.

28.3 As the Provost’s designee, e-Learning and Academic Support will make a payment of $3500 to the authoring faculty for a new DL course or substantial revision to an existing DL course. Faculty who develop and teach said course will receive full payment of $3500.

Prior to developing or revising a course with e-Learning and Academic Support the authoring faculty and the department chair will sign an agreement that identifies the amount to be paid, terms of payment, and confirms the University’s ownership of the
copyright and course materials. That given, the faculty member will have the final say on the content of the course(s). The University owns all rights and copyright responsibilities for DL courses that are developed and paid pursuant to this Article after February 1, 2007, by the tenured faculty, tenure-track faculty, and lecturers.

28.4 Faculty Members and instructors may receive compensation only for the development of two (2) DL courses per year. An exception to this limitation may be possible for the development of a third (3rd) course in any given year, provided the course development has the approval of the Provost or designee.

28.5 In the first three academic years of the initial offering of a new DL course the faculty member who created the new DL course(s) shall be given first preference to teach up to two sections of the course(s) per semester including summer if offered. First preference will apply as long as all course offerings and curricular needs within the department are satisfied.

B. The SB program is to provide a means to assist employees who, because of a personal catastrophic illness or personal catastrophic injury, would be subject to a severe loss of income and benefits during an extended absence from work. In order to be eligible for the program, participating employees must exhaust all of their existing sick leave and vacation balances. The program is not intended to provide supplemental income which would result in compensation levels exceeding normal wages, nor is the program meant to replace or duplicate benefits offered by State Teachers Retirement System of Ohio (STRS), The University of Toledo’s Long Term Disability Program (LTD), and/or Workers Compensation. Bank sick leave days may not be granted for elective surgery, illness or care of any member of the individual’s family, nor maternity leave.

C. Members of the UT-AAUP-LBC understand one of their responsibilities is to maintain the strictest level of confidentiality possible when dealing with recipient information.

III. Applicability

The SLB program is available to employees who are represented by UT-AAUP at The University of Toledo.

IV. Donor Eligibility

A. In order to donate sick leave hours, an employee must meet the following eligibility criteria.

1) The donor must be employed at The University of Toledo in a UT-AAUP bargaining unit position at the time of donation.

The five appointments shall represent different colleges and/or schools. The Administration shall have an ex-officio member on the SLBC. The appointees shall serve for three-year terms after initial appointments of staggered terms (two or three years, two for two years and one for one year). Those appointed to serve shall meet within ten (10) days of their appointment to elect a chair. Those selected to serve on the SLBC may be reappointed, vacancies for any reason shall be filled immediately for the remainder of the unexpired term by UT-AAUP who shall appoint the SLBC member to complete the term. UT-AAUP-LBC. Members shall be appointed, serve and/or be removed at the sole discretion of the UT-AAUP Executive Board.

The hours donated will be deducted from the net full bi-weekly paycheck following the UT-AAUP written authorization to donate said hours. The amount of hours to be donated will be determined by the UT-AAUP-LBC. Leave donations will not be acceptable if they are under a stipulation as to whom the donated hours are to be given.

E. After the initial open enrollment of thirty (30) calendar days, the UT-AAUP-LBC. will hold an annual enrollment period to be determined by the UT-AAUP-LBC. The enrollment period and the enrollment procedures will be publicized annually by the UT-AAUP-LBC. to all employees eligible to join.

F. The LBC shall be responsible for administration and implementation of the sick leave bank Guidelines, membership and enrollment procedures, and reasonable assessment rules to maintain an adequate reserve. It shall not be empowered to modify the terms of the Agreement or these sick leave bank Guidelines. The LBC shall notify the Assistant Vice President of Personnel of the sick leave bank implementation date.

G. The Administration shall provide reasonable staff support to maintain the sick leave bank, keep records of the sick leave days donated and taken.

H. Additional assessments may be made by UT-AAUP-LBC in the event an emergency situation has occurred and the leave bank is lacking hours needed to meet UT-AAUP-LBC approved recipient’s needs. All current members of the UT-AAUP-SLB will be
required to donate additional time during these assessment periods in order to remain eligible for membership in the UT-AAUP-SLB.

I. Donation activity will be recorded on the Leave Donation Log for each recipient employee. The Payroll Office will be responsible for deducting hours donated from the SLB adding leave hours to LBC approved recipient’s time records.

J. A quarterly report indicating the status of the sick leave bank membership usage and sick day reserves will be provided by the SLBC to the Assistant Vice President of Personnel, the Vice President for Administrative Affairs, and to the members participating in the Sick Leave Bank.

The right membership or the right to apply for membership ceases with termination of employment, retirement for any reason, refusal or inability to comply with assessments.

VI. Member Eligibility

A. In order to receive sick leave credits, an employee must meet the following eligibility criteria:

1) The member must be an employee in the UT-AAUP bargaining unit, a member of the UT-AAUP-SLB, and entitled to receive sick leave hours during an active period of appointment.

2) A member must be in the sick leave bank for at least thirty (30) working days to be eligible to apply for sick leave days from the bank.

VII. Leave Bank Hours May Be Granted Under the Following Circumstances

A. A catastrophic illness or catastrophic injury which requires an employee’s absence from duty and results in a substantial loss of income to the employee.

B. Sick Leave Bank hours may be taken intermittently or on a reduced schedule, only if such schedule is needed for medical reasons and conditions and cannot be accommodated within employee’s work schedule, provided it is approved by the UT-AAUP-LBC.

VIII. Recipient Policies and Regulations

A. Each initial grant of sick leave days shall be limited to a maximum of twenty (20) consecutively scheduled working days for each illness or injury. After the initial grant, an extension (extensions) of up to one hundred (100) sick leave days may be granted per catastrophic illness or catastrophic injury. The total sick leave granted to any one member shall not exceed 120 days per fiscal year or 120 days to any one illness recurring illness, or accident.
B. Normally, donated credits are available for periods of continuous absence which are expected to continue beyond one bi-weekly payroll period. However, in certain cases of intermittent absence, the UT-AAUP-LBC may waive the continuous absence requirement.

C. If the recipient returns to work for a period not exceeding five working days and has a recurrence of the same condition, the employee may continue to receive leave bank credit hours without submitting an additional application.

D. If leave days from the bank are granted to an employee, the employee is considered to be in active pay status during the use of that leave and all employment benefits apply including the accrual of vacation, sick leave, and seniority.

E. Once an eligible employee begins receiving disability benefits under STRS, LTD and/or Worker’s Compensation, donated credits may no longer be used.

F. If any leave is granted but not used by the employee, the unused portion of the amount of leave transferred is returned to the Leave Bank. This would apply in the case of an employee’s retirement, death, or recovery from the illness or injury.

G. The UT-AAUP-LBC members are not eligible to receive leave bank credits while maintaining a position on the LBC. If the Board member meets the eligibility requirements as specified by this document, he/she must resign from the Board before applying for leave bank credits. Once official resignation from the UT-AAUP-LBC is received, that employee may apply for leave bank credits. If leave credits are granted, his/her resignation remains in effect for the duration of the catastrophic illness.

H. The number of hour granted is based on the sole discretion of the LBC as determined by the individual case, severity of the illness/injury and the number of credits available in the bank. The LBC assumes no responsibility to grant leave credits for the eligible period to cover the total duration of leave. Decisions of the LBC are not subject to the grievance procedure.

IX. Applications For Leave Bank Hours

A. Applications must be submitted to the UT-AAUP-LBC. Applicants must provide sufficient medical documentation to support their request.

B. The University, UT-AAUP, or the UT-AAUP-LBC will not assume that an employee wishes to receive leave bank hours. Employees or their designee must indicate their wish to participate in this program by applying, in writing, to the UT-AAUP-LBC. Application forms will be available in the Personnel Department and the UT-AAUP office.
C. An application form with supporting documentation must be filled out, signed, and submitted by the employee or his/her designee to the LBC. Upon receipt of the application, the LBC will note the date it was received and mail a letter acknowledging receipt and stating approximately when the employee may expect an answer.

D. The letter of acknowledgment shall be postmarked within ten (10) working days of receipt and a decision regarding the application will be made within ten (10) working days.

E. If an employee’s application for the receipt of leave bank hours is rejected, he/she may petition the LBC to reconsider its decision within ten (10) working days of the Committee’s decision.

X. Discontinuation of Leave Bank Credits - Employee(s) Will Cease to Receive Leave Bank Credits When Or If

A. The catastrophic illness/injury ends.

B. The recipient fails to provide current medical documentation on need for benefit.

C. The recipient ceases to be employed in a UT-AAUP bargaining unit position.

D. The recipient receives long-term disability benefits offered through LTD and/or STRS.

E. The recipient is approved to receive Worker’s compensation.

F. The attending physician of record determines that the illness or injury is no longer catastrophic and disabling.

G. The recipient retires (for any reason).

H. The recipient dies.

I. The leave bank ceases to exist.

XI. The Leave Bank Committee will

A. Be responsible for processing recipient applications in a timely fashion. This includes the initial response after the application has been received, a decision as to whether leave bank hours will be granted to the applicant, how many leave bank credits will be granted, and notifying the applicant of their decision.

B. Record the number of leave hours approved by the LBC for each recipient employee on the recipient log.

C. Maintain records of leave donations.

D. Work with the Payroll Office in maintaining records of donation and receipt of leave bank hours.

Ohio Revised Code Section 3345.14

3345.14 Rights to discoveries or inventions to be university property; disposition of income therefrom; rules governing acceptance of financial interest in firm or corporation licensing or purchasing college or university's interest in discoveries or inventions

(A) As used in this section, “state college or university” means any state university or college defined in division (A)(1) of section 3345.12 of the Revised Code, and any other institution of higher education defined in division (A)(2) of that section.

(B) All rights to and interests in discoveries, inventions, or patents which result from research or investigation conducted in any experiment station, bureau, laboratory, research facility, or other facility of any state college or university, or by employees of any state college or university acting within the scope of their employment or with funding, equipment, or infrastructure provided by or through any state college or university, shall be the sole property of that college or university. No person, firm, association, corporation, or governmental agency which uses the facilities of such college or university in connection with such research or investigation and no faculty member, employee, or student of such college or university participating in or making such discoveries or inventions, shall have any rights to or interests in such discoveries or inventions, including income therefrom, except as may, by determination of the board of trustees of such college or university, be assigned, licensed, transferred, or paid to such persons or entities in accordance with division (C) of this section or in accordance with rules adopted under division (D) of this section.

(C) As may be determined from time to time by the board of trustees of any state college or university, the college or university may retain, assign, license, transfer, sell, or otherwise dispose of, in whole or in part and upon such terms as the board of trustees may direct, any and all rights to, interests in, or income from any such discoveries, inventions, or patents which the college or university owns or may acquire. Such dispositions may be to any individual, firm, association, corporation, or governmental agency, or to any faculty member, employee, or student of the college or university as the board of trustees may direct. Any and all income or proceeds derived or retained from such dispositions shall be applied to the general or special use of the college or university as determined by the board of trustees of such college or university.

(D)(1) Notwithstanding any provision of the Revised Code to the contrary, including but not limited to sections 102.03, 102.04, 2921.42, and 2921.43 of the Revised Code, the board of trustees of any state college or university may adopt rules in accordance with section 111.15 of the Revised Code that set forth circumstances under which an employee of the college or university may solicit or accept, and under which a person may give or promise to give to such an employee, a financial interest in any firm, corporation, or other association to which the board has assigned, licensed, transferred, or sold the college or university's interests in discoveries or inventions made or created by that employee or in patents issued to that employee.
(2) Rules established under division (D)(1) of this section shall include the following:

(a) A requirement that each college or university employee disclose to the college or university board of trustees any financial interest the employee holds in a firm, corporation, or other association as described in division (D)(1) of this section;

(b) A requirement that all disclosures made under division (D)(2)(a) of this section are reviewed by officials designated by the college or university board of trustees. The officials designated under this division shall determine the information that shall be disclosed and safeguards that shall be applied in order to manage, reduce, or eliminate any actual or potential conflict of interest.

(c) A requirement that in implementing division (D) of this section all members of the college or university board of trustees shall be governed by Chapter 102. and sections 2921.42 and 2921.43 of the Revised Code.

(d) Guidelines to ensure that any financial interest held by any employee of the college or university does not result in misuse of the students, employees, or resources of the college or university for the benefit of the firm, corporation, or other association in which such interest is held or does not otherwise interfere with the duties and responsibilities of the employee who holds such an interest.

(3) Rules established under division (D)(1) of this section may include other provisions at the discretion of the college or university board of trustees.

(E) Notwithstanding division (D) of this section, the Ohio ethics commission retains authority to provide assistance to a college or university board of trustees in the implementation of division (D)(2) of this section and to address any matter that is outside the scope of the exception to division (B) of this section as set forth in division (D) of this section or as set forth in rules established under division (D) of this section.
